**EX PARTE MOTION FOR ORDER SHORTENING TIME
 FOR HEARING ON FORM OF FINAL DIP FINANCING ORDER**

MusclePharm Corporation, the debtor in the above-referenced Chapter 11 case (“**Debtor**”), by and through its counsel of record, Schwartz Law, PLLC, hereby files this ex parte motion (the “**Motion**”) for an emergency hearing on the form of that certain Final Order Pursuant to Emergency Motion for Interim and Final Orders Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, and 364 and Fed. R. Bankr. P. 4001(b) and 4001(d): (I) Authorizing the Debtor to Obtain Postpetition Financing, (II) Granting Senior Secured Liens and Administrative Expense Claims, (III) Determining Adequate Protection, (IV) Modifying the Automatic Stay, and (V) Granting Related Relief (the “**Final DIP Financing Order**”).

This Motion is made pursuant to Bankruptcy Rule 9006, Local Rule 9006, the declaration of Samuel A. Schwartz, Esq. (the “**Schwartz Declaration**”), attached hereto as **Exhibit 1**, the points and authorities set forth below, and the pleadings and papers and other records contained in this Court’s file, judicial notice of which is respectfully requested.

As set forth below, the Debtor asks for a hearing either Thursday, March 2, 2023, or Friday, March 3, 2023, or such other date as this Court is available for a hearing on the form of order for the Final DIP Financing Order. Counsel for the Debtor and counsel for White Winston Select Asset Funds, LLC (“WW”) are not available on Wednesday, March 1, 2023.

BACKGROUND

1. On February 9, 2023, this Court held a final hearing on the Debtor’s *Emergency Motion for Interim and Final Orders: (I) Authorizing the Debtor to Obtain Post-Petition Financing, (II) Granting Priming Liens and Administrative Expense Claims, (III) Authorizing the Debtor’s Use of Cash Collateral, (IV) Modifying the Automatic Stay, and (V) Granting Related Relief* [ECF No. 33] (the “**DIP Financing Motion**”), and approved the DIP Financing Motion on a final basis.

2. On Wednesday, February 15, 2023, counsel for the Debtor circulated a proposed form of the Final DIP Financing Order.

3. Between February 15, 2023, and February 27, 2023, the Debtor’s counsel collected comments from all parties who appeared at the hearing and requested to sign off on the Final DIP Financing Order.

4. Unfortunately, similar to the proposed form of order for the Second Interim DIP Financing Order, WW has competing views over certain provisions and comments to the Final DIP Financing Order, which the Debtor and its DIP financing lender, Empery Tax Efficient, L.P. (“**Empery**”), were not able to adopt and incorporate into the final form of order.

5. Counsel for Empery, the Office of the United States Trustee, the Official Committee of Unsecured Creditors and Prestige Capital Finance, LLC, all approved and signed off on the Final DIP Financing Order. Counsel for WW disapproved. A copy of the proposed Final DIP Financing Order is attached hereto as **Exhibit 2**.

6. Importantly, the Debtor (and others) tried to resolve WW’s objections over the course of the last week, and ultimately hoped to avoid a hearing on the matter. Unfortunately, however, the Debtor is now in a cash crunch, as the financing advanced under the interim orders is nearly exhausted.

7. As the Debtor has an immediate need for financing, the Debtor does not have the

time to allow for the normal time periods under Local Rule 9021 to run its course (e.g., five (5) business days for WW to lodge an objection to the proposed Final DIP Financing Order and another five (5) business days for replies thereto).

8. Accordingly, the Debtor respectfully requests that this Court set an emergency hearing as soon as possible to resolve the WW's objection to the Final DIP Financing Order.

LEGAL ARGUMENT

Section 105 of the Bankruptcy Code allows this court to issue such orders as are necessary to carry out the provisions of this title. Bankruptcy Rule 9006(c)(1) permits a bankruptcy court, for cause shown and, in its discretion, to reduce the period during which any notice is given in accordance with the bankruptcy rules. Bankruptcy Rule 9006(c)(1) provides as follows:

Except as provided in paragraph 2 of this subdivision, when an act is required or allowed to be done at or within a specified time by these rules or by a notice given thereunder or by order of the court, the court for cause shown may, in its discretion with or without motion or notice order the period reduced.

Fed. R. Bankr. P. 9006(c)(1).

The operative section of the Bankruptcy Code's rules of construction set forth in 11 U.S.C. § 102(1) define the phrase "after notice and a hearing," or similar phrases used throughout the Bankruptcy Code and Bankruptcy Rules as follows:

(A) ... after such notice as is appropriate in the particular circumstances, and such opportunity for a hearing as is appropriate in the particular circumstances; but (B) authorizes an act without an actual hearing if such notice is given properly and if – (i) such a hearing is not requested timely by a party in interest; or (ii) there is insufficient time for a hearing to be commenced before such an act must be done, and the court authorizes such an act.

11 U.S.C. § 102(1); *see also* Fed. R. Bankr. P. 9001 (making the Bankruptcy Code's rules of construction applicable to the Federal Rules of Bankruptcy Procedure).

Relief under Bankruptcy Rule 9006(c)(1) is committed to the Court's discretion. *See, e.g., In re Phila. Newspapers, LLC*, 690 F.3d 161, 171 (3d Cir. 2012). "In exercising that discretion, [the Court] should consider the prejudice to parties entitled to notice and weigh this against the reasons for hearing the motion on an expedited basis." *Id.*

1 Local Rule 9006 provides further authority for shortening the time for a hearing. According
2 to Local Rule 9006(b), every application for an order shortening time must be accompanied by a
3 declaration stating the reasons for an expedited hearing.

4 As set forth above and in the Schwartz Declaration, there are compelling reasons for an
5 expedited hearing on the motions identified above. The Debtor needs financing, the Debtor needs
6 to make payroll and other business operational expenses. Accordingly, the Debtor does not have
7 the time to wait for the procedures under Local Rule 9021 to run, which could run up to two weeks.

8 WHEREFORE, the Debtor respectfully submits that cause exists both under 11 U.S.C.
9 § 102(1) and under Bankruptcy Rule 9006(c)(1) to grant the relief requested herein, and
10 respectfully prays that the Court set an emergency hearing on the proposed form of Final DIP
11 Financing Order at the Court's earliest convenience.

12 Specifically, the Debtor asks for a hearing either Thursday, March 2, 2023, or Friday, March
13 3, 2023, or such other date as this Court is available for a hearing on the form of order for the Final
14 DIP Financing Order. Counsel for the Debtor and counsel for WW are not available on Wednesday,
15 March 1, 2023.

DECLARATION OF SAMUEL A. SCHWARTZ, ESQ.

Samuel A. Schwartz, being duly sworn, deposes and says:

1. I, Samuel A. Schwartz, am the principal of Schwartz Law, PLLC (“SL”), and I am duly licensed to practice law in the State of Nevada and this Court. I make this declaration (the “**Declaration**”) based on my own personal knowledge except as to those matters stated upon information and belief, and as to those matters, I believe them to be true.

2. I make this Declaration in support of the Debtor’s *Ex Parte Motion for Order Shortening Time for Hearing on Form of Final DIP Financing Order* (the “**Ex Parte Motion**”), to which this Declaration is attached as Exhibit 1.

3. On January 3, 2023, the Debtor filed its *Emergency Motion for Entry of Interim and Final Orders: (I) Authorizing Debtor to Obtain Post-Petition Financing, (II) Granting Priming Liens and Administrative Expense Claims, (III) Authorizing the Debtor’s Use of Cash Collateral,*

1 (IV) *Modifying the Automatic Stay*, and (V) *Granting Related Relief* (the “**DIP Financing**
2 **Motion**”). See ECF No. 33.

3 4. On February 9, 2023, this Court held a final hearing on the Debtor’s DIP Financing
4 Motion and approved the DIP Financing Motion on a final basis.

5 5. On Wednesday, February 15, 2023, counsel for the Debtor circulated a proposed
6 form of the Final DIP Financing Order.

7 6. Between February 15, 2023, and February 27, 2023, the Debtor’s counsel collected
8 comments from all parties who appeared at the hearing and requested to sign off on the Final DIP
9 Financing Order.

10 7. Unfortunately, similar to the proposed form of order for the Second Interim DIP
11 Financing Order, White Winston Select Asset Funds, LLC (“**WW**”) has competing views over
12 certain provisions and comments to the Final DIP Financing Order, which the Debtor and its DIP
13 financing lender, Empery Tax Efficient, L.P. (“**Empery**”), were not able to adopt and incorporate
14 into the final form of order.

15 8. Counsel for Empery, the Office of the United States Trustee, the Official Committee
16 of Unsecured Creditors and Prestige Capital Finance, LLC, all approved and signed off on the Final
17 DIP Financing Order. Counsel for WW disapproved. A copy of the proposed Final DIP Financing
18 Order is attached to the Ex Parte Motion as Exhibit 2.

19 9. Importantly, the Debtor (and others) tried to resolve WW’s objections over the
20 course of the last week, and ultimately hoped to avoid a hearing on the matter. Unfortunately,
21 however, the Debtor is now in a cash crunch, as the financing advanced under the interim orders is
22 nearly exhausted.

23 10. As the Debtor has an immediate need for financing, the Debtor does not have the

25 business days for WW to lodge an objection to the proposed Final DIP Financing Order and another
26 five (5) business days for replies thereto).

27 11. Accordingly, the Debtor respectfully requests that this Court set an emergency
28 hearing as soon as possible to resolve the WW’s objection to the Final DIP Financing Order.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

The motion (“**Motion**”)¹ of MusclePharm Corporation, the Chapter 11 debtor and debtor
in possession herein (“**MusclePharm**” or the “**Debtor**”) before this court (“**Bankruptcy Court**”)

¹ Capitalized terms not otherwise defined herein shall have those meanings ascribed to them in the Motion.

1 seeks entry of interim and final orders pursuant to Sections² 105, 361, 362, 363, and 364 of the
 2 Bankruptcy Code, Bankruptcy Rules 2002, 4001, 6004, and 9014, and Local Rule 4001 to, among
 3 other matters, authorize the Debtor to obtain emergency credit and incur debt on an interim and
 4 final basis. The Debtor negotiated and then filed a substitute term sheet (the “**First Interim Term**
 5 **Sheet**”) with the Bankruptcy Court on January 6, 2023 [ECF No. 65] between the Debtor, as
 6 borrower, and the DIP Secured Parties and DIP Factoring Parties (each as defined in the Loan
 7 Documents (defined below)) by and through the DIP Agent, Empery Tax Efficient, L.P. (“**DIP**
 8 **Agent**” or “**Empery**,” and collectively with the DIP Secured Parties and DIP Factoring Parties,
 9 “**Lender**”), as lender, in lieu of White Winston Select Asset Funds, LLC (“**White Winston**”), the
 10 originally proposed lender in the Motion, with Lender proposing the requested financing on the
 11 terms set forth in the First Interim Term Sheet. Sufficient notice of the Motion and a first interim
 12 hearing (the “**First Interim Hearing**”) was provided under the circumstances by the Debtor; and
 13 further, the Bankruptcy Court continued the First Interim Hearing from January 5, 2023, at 9:30
 14 a.m. to January 6, 2023, at 9:30 a.m. to provide more time for all to review the First Interim Term
 15 Sheet, and the Bankruptcy Court thereafter entered its first interim order (the “**First Interim**
 16 **Order**”) on January 9, 2023 [ECF No. 74], and continued the Motion for a second interim hearing
 17 (the “**Second Interim Hearing**” and collectively with the First Interim Hearing, the “**Interim**
 18 **Hearings**”) to be held on January 13, 2023, at 9:30 a.m. On January 12, 2023, Debtor substituted
 19 a revision to the First Interim Term Sheet [ECF No. 102, Ex. 1] (the “**Second Interim Term**
 20 **Sheet**”). Following the Second Interim Hearing, the Bankruptcy Court approved the Second
 21 Interim Term Sheet on an interim basis on January 23, 2023 [ECF No. 139] (the “**Second Interim**
 22 **Order**” and together with the Second Interim Order, the “**Interim Orders**”) and scheduled a final
 23 hearing for final approve of the Motion to occur on February 9, 2023, at 10:30 a.m. (the “**Final**
 24 **Hearing**”). On February 7, 2023, Debtor substituted a revision to the Second Interim Term Sheet

terms and conditions of the Term Sheet as implemented by the Loan Documents, the, “**DIP Financing**”). After considering the Motion and all pleadings and papers filed with, and evidence submitted to, this Bankruptcy Court in connection with the Motion, including all formal and informal objections to the Motion, and the argument of counsel and evidence submitted at the Final Hearing; and upon the record made by the Debtor and others at the Final Hearing; the Bankruptcy Court has found and determined that, subject to the terms of this final order (the “**Final Order**”), the relief sought in the Motion (as amended and supplemented by the Term Sheet and the Loan Documents) on a final basis, to the extent provided below, is in the best interests of the Debtor, its bankruptcy estate (“**Estate**”), creditors, and all parties in interest; and after due deliberation and consideration and good and sufficient cause appearing therefore,

the Bankruptcy Court hereby finds:³

A. **Debtor’s Chapter 11 Case.** On December 15, 2022 (the “**Petition Date**”), the Debtor filed its voluntary petition for relief under Chapter 11 of the Bankruptcy Code, thereby commencing the above-captioned case (the “**Chapter 11 Case**”). The Debtor is continuing to operate its business and manage its affairs as a debtor in possession pursuant to Sections 1107 and 1108 of the Bankruptcy Code, and no request has been made for the appointment of a trustee or examiner.

B. **Jurisdiction; Venue.** This Bankruptcy Court has subject matter jurisdiction to consider and rule upon the Motion pursuant to 28 U.S.C. §§ 157 and 1334. Determination of the Motion is a core proceeding pursuant to 28 U.S.C. § 157(b). The statutory predicates for the relief sought by the Motion are Sections 105, 361, 362, 363, and 364 of the Bankruptcy Code, Bankruptcy Rules 2002, 4001, 6004, and 9014, and Local Rule 4001. Venue of the Chapter 11 Case and the Motion in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

C. **Notice.** Notice of the First Interim Hearing and the relief requested in the Motion was provided by the Debtor by electronic mail, overnight courier, hand delivery or electronic

³ To the extent that the Court stated findings of fact and conclusions of law on the record at the Second Interim Hearing, such findings and conclusions are incorporated herein by reference in accordance with Fed. R. Civ. P. 52, made applicable pursuant to Fed. R. Bankr. P. 9014.

1 delivery through the Bankruptcy Court's CM/ECF system, on January 3, 2023, to: (i) the Office of
2 the United States Trustee for the District of Nevada ("**U.S. Trustee**"), (ii) the Debtor's 20 largest
3 non-insider unsecured creditors, (iii) the Lender and counsel to the Lender, (iv) all other parties
4 known by the Debtor to assert liens or security interests in the assets of the Debtor, and (v) all other
5 parties entitled to notice under Bankruptcy Rule 2002. Notice of the Second Interim Hearing was
6 provided by the Bankruptcy Court on the record in open court at the First Interim Hearing and also
7 on the written record [See ECF No. 66]. Notice of the Final Hearing was provided by the
8 Bankruptcy Court on the record in open court at the Second Interim Hearing and also on the written
9 record [See ECF Nos. 105 & 146]. Under all of the circumstances, such notice of the Motion, the
10 relief requested therein, the Interim Hearings, and Final Hearing has complied with Bankruptcy
11 Rule 4001(b), (c) and (d) and the Local Rules.

12 D. **Debtor's Need for DIP Financing.** Based upon pleadings and papers filed with,
13 and evidence submitted to, this Bankruptcy Court in connection with the Motion, and the record in
14 the Chapter 11 Case, the Debtor does not have sufficient available sources of working capital and
15 financing to carry on the operation of its business and affairs without the DIP Financing and
16 authorized use of all cash, negotiable instruments, documents of title, securities, deposit accounts,
17 or other cash equivalents whenever or wherever acquired in which the Debtor and an entity other
18 than the Debtor has an interest, whether existing before or after the commencement of the Chapter
19 11 Case and inclusive of cash collateral as defined in Section 363 ("**Cash Collateral.**"). As a result
20 of the Debtor's financial condition, the use of Cash Collateral alone will be insufficient to meet the
21 Debtor's immediate postpetition liquidity needs. The Debtor's ability to maintain business
22 relationships with its suppliers and customers, pay for human resources, purchase materials and
23 otherwise finance its operations is essential to the Debtor's continued viability. The Debtor's
24 ability to finance its operations and its Chapter 11 Case is essential to preserving the going concern
25 value of the Debtor's business and ultimately maximizing the value of the Estate for the benefit of
26 all stakeholders, and for these reasons and others, the approval of the DIP Financing is in the best
27 interests of the Debtor, the Estate, and its creditors.

28 E. **Budget for Necessary DIP Financing.** Attached hereto as **Exhibit A** is a revised

1 13-week cash flow forecast setting forth all projected cash receipts and cash disbursements (by line
2 item) for a 13-week period beginning in the week commencing January 30, 2023 and for a twelve
3 (12) month period beginning in January 2023 (the “**Budget**”). The Budget may be modified or
4 supplemented from time to time by additional budgets (covering any time period covered by a prior
5 budget or covering additional time periods) prepared by the Debtor and consented to in writing by
6 the Lender, without subsequent notice to or order of the Bankruptcy Court. The Debtor will deliver
7 a copy of the Budget to the Committee and Prestige Capital Finance, LLC’s (“**Prestige**”). The
8 Budget is an integral part of this Final Order and has been relied upon by the Lender in consenting
9 to this Final Order and to provide the DIP Financing. The Budget includes and contains the
10 Debtor’s best current estimate of all operational receipts, and the Budget accounts for operational
11 disbursements, fees, costs and other expenses that were anticipated to be payable, incurred and/or
12 accrued by the Debtor during the period covered by the Budget to be timely paid in the ordinary
13 course of business to the extent allowed and permitted to be paid by an order of this Bankruptcy
14 Court or pursuant to the Bankruptcy Code. Funding of the Budget is expected to allow the Debtor
15 to operate in the Chapter 11 Case and pay postpetition administrative expenses in the ordinary
16 course of business to the extent allowed and permitted to be paid by the Bankruptcy Court order or
17 pursuant to the Bankruptcy Code, subject to the terms of this Final Order.

18 F. **Financing under Section 364.** Based on the pleadings and papers filed with, and
19 evidence submitted to, this Bankruptcy Court in connection with the Motion, and the record in the
20 Chapter 11 Case, the Debtor is unable to obtain sufficient financing from a source acceptable to
21 Debtor in its business judgment by means of: (i) unsecured credit allowable as an administrative
22 expense under Sections 364(b) and 503(b)(1) of the Bankruptcy Code; or (ii) secured credit under
23 Sections 364(c)(1), 364(c)(2), 364(c)(3) and 364(d) for the purposes set forth in the Term Sheet
24 and the Loan Documents without granting a superpriority priming lien.

25 G. **Good Faith Lender and Lending and Good Cause.** The Lender agreed to provide
26 postpetition financing secured, subject to the priorities described in **Exhibit B** hereto, by: (i)
27 continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected
28 co-priority senior liens on and security interests in the DIP Collateral (defined below) (collectively,

1 the “**DIP Liens**”), with the same priority as the Prepetition Secured Parties’ (as defined in the Loan
2 Documents) current prepetition liens on Debtor’s prepetition assets and senior to all other liens
3 existing on and after the Petition Date with the exception of Prestige’s prepetition liens and security
4 interests in its prepetition collateral as provided in the prepetition intercreditor agreement
5 (“**Prestige Intercreditor Agreement**”) between Prestige, the Debtor and the Prepetition Secured
6 Parties; (ii) superpriority claims under Section 364(c)(1); (iii) automatically perfected liens under
7 Sections 364(c)(1), 364(c)(2), 364(c)(3) and 364(d); and (iii) the other protections set forth in the
8 Motion and the Term Sheet and the Loan Documents, in each case limited only by this Final Order.
9 As of the Final Hearing, the Lender is prepared to advance secured financing to the Debtor in
10 accordance with the Term Sheet and the Loan Documents to the extent provided in this Final Order
11 and the Budget. After considering all of its alternatives, including alternative sources of debtor in
12 possession financing, the Debtor has concluded, in an exercise of its sound business judgment, that
13 the DIP Financing provided by Lender represents the best proposed financing available to the
14 Debtor under Debtor’s circumstances. Based on the pleadings and papers filed with, and evidence
15 submitted to, this Bankruptcy Court in connection with the Motion, and the record in the Chapter
16 11 Case, the terms and conditions of the DIP Financing are fair and reasonable, reflect the Debtor’s
17 exercise of prudent business judgment, and are supported by reasonably equivalent value and fair
18 consideration. Absent granting the relief sought by this Final Order, the Debtor’s business,
19 properties and the Estate will be immediately and irreparably harmed. Accordingly, good cause
20 has been shown that entry of this Final Order is in the best interest of the Debtor and its Estate,
21 employees, creditors, and other parties in interest and that the implementation and consummation
22 of the DIP Financing and authorization of the use of the DIP Collateral (including the Cash
23 Collateral as further provided below) in accordance with this Final Order and the Loan Documents
24 is in the best interests of the Estate and consistent with the Debtor’s fiduciary duties. Based on the
25 pleadings and papers filed with, and evidence submitted to, this Bankruptcy Court in connection
26 with the Motion, and the record in the Chapter 11 Case, (i) the DIP Financing has been negotiated
27 in good faith and at arm’s length among the Debtor and the Lender, and (ii) any credit extended,
28 loans made, and other financial accommodations extended pursuant to this Final Order to the

Debtor by the Lender have been extended, issued or made, as the case may be, in “good faith” within the meaning of Section 364(e) of the Bankruptcy Code.

H. **Use of Cash Collateral.** An immediate and critical need exists for the Debtor to use the Cash Collateral (in addition to the DIP Financing) in accordance with the Budget to continue to operate its business, pay wages, maintain business relationships with members, suppliers and customers, make capital expenditures, generally conduct its business affairs so as to avoid immediate and irreparable harm to the Estate and the value of its assets, and afford the Debtor adequate time to effectively reorganize.

I. **Final Approval of the Motion.** Based upon the Motion, all pleadings and papers filed with and evidence submitted to this Bankruptcy Court in connection with the Motion, and the record made at the Interim Hearings and Final Hearing, all objections being withdrawn, consensually resolved on the record, or overruled by the Bankruptcy Court, the Bankruptcy Court has determined to grant the Motion on a final basis and approve the Debtor’s entry into and performance under the DIP Financing under the Loan Documents, as further provided herein, thereby authorizing postpetition financing of (i) up to \$4,500,000 (excluding the Roll-Up amounts (defined below) and the DIP Inventory Acquisition Line of Credit) under the DIP Note Facility (as defined in the Loan Documents), (ii) up to \$10,000,000 under the DIP Factoring Facility to factor DIP Accounts (as those terms are defined in the Loan Documents), and (iii) up to \$1,000,000 under the DIP Inventory Acquisition Line of Credit (as defined in the Loan Documents), and related relief, as provided in the Loan Documents and this Final Order.

Based on the foregoing, and upon the record made before this Bankruptcy Court at the Interim Hearings and Final Hearing, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

1. **Final Approval.** The DIP Financing pursuant to the DIP Facilities (as that term is defined in the Loan Documents) is approved on a final basis and the Debtor is authorized to obtain postpetition financing of (i) up to \$4,500,000 (excluding the Roll-Up amounts and the DIP Inventory Acquisition Line of Credit) under the DIP Note Facility, (ii) up to \$10,000,000 under the DIP Factoring Facility, and (iii) up to \$1,000,000 under the DIP Inventory Acquisition Line of

1 Credit on a final basis as provided in the Loan Documents and this Final Order.

2 2. **Budget.** Beginning on January 30, 2023 and continuing until the repayment in full
3 in cash of the obligations under the DIP Facilities, the Debtor shall perform in accordance with the
4 Budget, subject to the following with respect to any Review Period (defined below): (i) the Debtor's
5 actual cash receipts shall not be less than 90% of the projected amounts set forth in the Budget on
6 a cumulative basis; and (ii) the Debtor's actual cash disbursements shall not be greater than 110%
7 of the projected amounts therefor set forth in the Budget on a cumulative basis (such variance, the
8 "**Permitted Variances**"). During any Review Period occurring prior to March 15, 2023, the DIP
9 Note Purchasers and DIP Factoring Purchasers (as those terms are defined in the Loan Documents)
10 waive all defaults of the Debtor for failing to comply with the Budget, including the Permitted
11 Variances, solely with respect to (i) Total Receipts and (ii) Total COGS Including Shipping (as
12 those terms are defined in the Budget). Debtor shall file with the Bankruptcy Court a final Budget
13 agreed to by the DIP Agent on or before March 15, 2023. Compliance with the Budget shall be
14 reviewed on Monday of every other week on a bi-weekly basis, with such reviews to be conducted
15 on the Monday following each of the second and fourth weeks of the Budget (each, a "**Weekly**
16 **Review Period**") and thereafter on a rolling 4-week basis (the "**Cumulative Review Period**" and
17 together with the Weekly Review Period, the "**Review Periods**"). Beginning on the second
18 Monday following the Second Interim DIP Order and every other Monday thereafter, the Debtor
19 shall deliver to the DIP Factoring Agent (as defined in the Loan Documents) and the Committee of
20 Unsecured Creditors (the "**Committee**"), not later than 4:00 p.m. Pacific time on each Monday
21 (commencing with the Monday after the one-week anniversary of the Second Interim DIP Order),
22 a weekly line-by-line variance report (the "**Variance Report**"), which Variance Report shall
23 compare actual cash receipts and disbursements of the Debtor with corresponding amounts
24 provided for in the Budget on a line-by-line basis for the prior week and the applicable Review
25 Period (or such shorter period as may have elapsed from the Petition Date), including written
26 descriptions in reasonable detail explaining any material positive or negative variances, and
27 otherwise in form and substance reasonably acceptable to the DIP Note Agent (as defined in the
28 Loan Documents).

3. **Final Approval of the Loan Documents.** The *Debtor-In-Possession Notes Purchase and Security Agreement* (as subsequently amended and supplemented and executed by the Debtor and the counterparties thereto (“**DIP Note Agreement**”) and *Debtor-In-Possession Factoring Purchase and Security Agreement* (as subsequently amended and supplemented consistent with this Final Order and executed by the Debtor and the counterparties thereto (“**DIP Factoring Agreement**,” and collectively with the DIP Note Agreement, and any other documents or agreements, if any, intercreditor agreements, and amendments, schedules, and exhibits to the foregoing delivered or filed pursuant to or in connection with or necessary to implement the DIP Financing, the “**Loan Documents**”), attached hereto as **Exhibit C** and **Exhibit D**, respectively, and all the Lender protections provided therein and herein are approved for all postpetition lending by Lender to Debtor made pursuant to this Final Order. The Debtor is expressly authorized, empowered, and directed to perform all of its direct and indirect obligations under the Loan Documents from and after December 15, 2022 (“**Petition Date**”), including the execution of such additional documents, instruments and agreements reasonably required or requested by the Lender to implement the terms or effectuate the purposes of the Loan Documents and this Final Order, except as limited hereby (collectively, the “**DIP Obligations**”). In furtherance of the foregoing and without further approval of this Bankruptcy Court, the Debtor is authorized, and the automatic stay imposed by Section 362 of the Bankruptcy Code is modified to the extent necessary, to perform all acts and to make, execute and deliver all instruments and documents and to pay all reasonable fees (when applicable), that may be reasonably required or necessary for the Debtor’s performance of its obligations under the Loan Documents and this Final Order, and for Lender’s exercise of remedies set forth in the Loan Documents upon a default.

4. **Approval of the Challenge Periods.** The Committee shall have until April 10, 2023 (such period, the “**Committee Challenge Period**”) to investigate and challenge and otherwise object to the allowance of the Allowed Claim (defined below). The Releases (included in this Final Order and which are included in the Loan Documents) are not a defense to a claim objection brought by the Committee during the Committee Challenge Period. White Winston shall have until March 9, 2023 (such period, “**White Winston Challenge Period**,” and together with the Committee

Challenge Period, the “**Challenge Periods**”) to investigate, challenge and otherwise object to the allowance of the Allowed Claim (other than challenges and objections based upon the Debtor’s or the Estate’s claims). If an objection to the Prepetition Secured Parties’ prepetition claim is timely filed during the required Challenge Period in the Bankruptcy Court, then: (i) the Prepetition Secured Parties’ prepetition claim shall not be deemed an “allowed claim” to the extent objected to in such objection absent the Prepetition Collateral Agent (as defined in the Loan Documents) obtaining a further order of the Bankruptcy Court, unless the objection is withdrawn; (ii) the Prepetition Collateral Agent shall not be entitled to the Prepetition Collateral Agent Credit Bid Obligations (as defined in the Loan Documents) unless the Prepetition Collateral Agent obtains a further order of the Bankruptcy Court, unless the objection is withdrawn; (iii) if a sale of Debtor’s assets occurs before such claim objection is resolved, such sale proceeds will be held by the Estate to the extent of the objection unless the Prepetition Collateral Agent obtains a further order of the Bankruptcy Court, unless the objection is withdrawn; and (iv) the Releases (included in this Final Order and which are included in the Loan Documents) are not a defense to such claim objection brought by White Winston. The Prepetition Collateral Agent’s rights to respond on behalf of Prepetition Collateral Agent and the Prepetition Secured Parties to any challenges raised by the Committee or White Winston (or any party) are preserved.

5. **Committee Challenge Budget.** The Committee may use up to \$50,000 of the fees and costs of the Committee in the Budget in connection with a Challenge.

6. **Approval of the Roll-Up.** Pursuant to this Final Order, except to the extent successfully challenged in a challenge brought in the applicable Challenge Period, the Bankruptcy Court hereby approves the Roll-Up, which provides that for each dollar of principal amount drawn under the DIP Note Facility (excluding the DIP Inventory Acquisition Line of Credit), one dollar of principal due under the Prepetition Notes shall roll-up and convert on a cashless basis into the DIP Notes (the “**Roll-Up**”), provided further, however, to the extent the principal amount of the Allowed Claim is timely challenged during the applicable Challenge Period and such challenge is successful (meaning as determined by final order of the Bankruptcy Court) (such successfully challenged principal amount, the “**Disallowed Principal Amount**”) such that the allowed principal

1 amount of the Allowed Claim (“**Allowed Principal Amount**”) is less than the Roll-Up amount,
2 then the Roll-Up amount shall be reduced to the Allowed Principal Amount.

3 7. **Approval of the Allowed Claim.** Pursuant to this Final Order, the (i) Lender shall
4 have an allowed claim equal to the obligations under the DIP Facilities and post-petition attorneys’
5 fees and expenses, and (ii) except to the extent successfully challenged in a challenge brought in
6 the applicable Challenge Period, Prepetition Secured Parties shall have an allowed claim in an
7 amount not less than \$12.84 Million (the “**Allowed Claim**”), which is the principal amount of the
8 Prepetition Notes, including the original issue discount. For the avoidance of doubt, the rights of
9 the Debtor or Committee to object or otherwise contest the Prepetition Secured Parties’ prepetition
10 claims in excess of \$12.84 Million is not limited by the Challenge Periods and are reserved.

11 8. **Credit Bidding.** The DIP Agent may submit a credit bid of the obligations under
12 the DIP Facilities in connection with the sale of any asset of the Debtor (in whole or in part),
13 including without limitation, sales occurring pursuant to Section 363 or included as part of any
14 restructuring plan subject to confirmation under Section 1129(b)(2)(A)(ii)-(iii) (“**DIP Agent**
15 **Credit Bid Obligations**”). Subject to the express limitations contained in Paragraph numbered 4
16 above in this Final Order, the Prepetition Collateral Agent may submit a credit bid of an amount
17 not less than the Allowed Claim, or such greater amount as allowed by the Bankruptcy Court, in
18 connection with the sale of any asset of the Debtor (in whole or in part), including without
19 limitation, sales occurring pursuant to Section 363 or included as part of any restructuring plan
20 subject to confirmation under Section 1129(b)(2)(A)(ii)-(iii) (“**Prepetition Collateral Agent**
21 **Credit Bid Obligations**”). Any motion filed by the Debtor seeking approval of bid procedures
22 shall contain (i) a request for approval of the right of the DIP Agent to credit bid the DIP Agent
23 Credit Bid Obligations and (ii) unless a timely challenge made within the applicable Challenge
24 Period is pending (and the Bankruptcy Court has not entered an order otherwise allowing the
25 Prepetition Collateral Agent Credit Bid Obligations to be credit bid), a request for approval of the
26 right of the Prepetition Collateral Agent to credit bid the Prepetition Collateral Agent Credit Bid
27 Obligations.

28 9. **Approval of the Releases.** For good and valuable consideration, including

1 facilitation of the DIP Financing, the Note Parties' (as defined in the Loan Documents), on behalf
 2 of themselves, and Debtor, on behalf of the Estate (the **Estate** collectively with the Note Parties,
 3 "**Releasors**"), hereby release any and all claims, obligations, rights, suits, damages, causes of
 4 action, remedies and liabilities whatsoever, including any derivative claims asserted or which could
 5 be asserted on behalf of the Releasors, whether known or unknown, foreseen or unforeseen, existing
 6 in law, equity or otherwise, that the Releasors would have been legally entitled to assert in their
 7 own right (whether individually or collectively), including claims based on or relating to, or in any
 8 manner arising from, in whole or in part, the Chapter 11 Case restructuring, the Chapter 11 Case,
 9 the purchase, sale or rescission of the purchase or sale of any security of the Note Parties, the subject
 10 matter of, or the transactions or events giving rise to, any claim or equity security, or any other act
 11 or omission, transaction, agreement, event or other occurrence relating to the Debtor, the
 12 Prepetition Notes or the Prepetition Liens (as defined in the Loan Documents), taking place on or
 13 before the entry of this Final Order against (i) the DIP Agent in its capacity as such, (ii) the DIP
 14 Note Purchasers in their capacities as such, (iii) the DIP Factoring Purchasers in their capacities as
 15 such, (iv) except to the extent successfully challenged in a challenge brought in the applicable
 16 Challenge Period, the Prepetition Collateral Agent in its capacity as such, and (v) except to the
 17 extent successfully challenged in a challenge brought in the applicable Challenge Period, the
 18 Prepetition Purchasers (as defined in the Loan Documents) in their capacities as such (collectively,
 19 "**Releasees**"), and such Releases are hereby approved and effective upon entry of this Final Order.
 20 The Releases (which shall be included in the Loan Documents) are not a defense to an objection to
 21 the prepetition claims of the Prepetition Collateral Agent in its capacity as such and the Prepetition
 22 Purchasers in their capacity as such brought in the Bankruptcy Court (if such objection is brought
 23 during the applicable Challenge Period). Any claims arising out of the breach of the Loan
 24 Documents by any party thereto are excluded from the releases provided in this paragraph, and, in
 25 the event of any such breach, the non-breaching party shall be entitled to pursue any and all rights,
 26 claims and damages that it may have against the other party as a result of such breach.

27 10. **Authorization to Borrow/Use of Cash Collateral.** Pursuant to this Final Order,
 28 the Debtor is immediately authorized to (a) (i) borrow from the Lender up to an aggregate amount

1 of \$4,500,000 (excluding the Roll-Up) under the DIP Note Facility and up to \$1,000,000 under the
2 DIP Inventory Acquisition Line of Credit, and (ii) factor DIP Accounts (as defined in the Loan
3 Documents) up to \$10,000,000 from the Lender under the DIP Factoring Facility, all subject to and
4 in accordance with the terms of this Final Order and the Loan Documents, and (b) use the proceeds
5 of the DIP Financing and the DIP Collateral (including the Cash Collateral) in accordance with the
6 terms of the Loan Documents, this Final Order and the Budget.

7 11. **DIP Inventory Acquisition Line of Credit.** Pursuant to this Final Order, the
8 Debtor is immediately authorized to borrow under the DIP Inventory Acquisition Line of Credit
9 (“**DIP Inventory Acquisition Line of Credit**”). The DIP Inventory Acquisition Line of Credit is
10 a \$1.0 Million credit line under the DIP Note Facility available solely to fund Debtor’s acquisition
11 of inventory in accordance with the Budget on an as needed basis. The amounts advanced under
12 this inventory line of credit shall not be included for purposes of calculating the Roll-Up amount.
13 The DIP Inventory Acquisition Line of Credit shall be a revolving facility. To secure the payment
14 and performance in full of the DIP Inventory Acquisition Line of Credit, and without limiting any
15 other security interest granted herein, Debtor hereby grants to the DIP Note Agent, as collateral
16 agent for the DIP Inventory Acquisition Line of Credit Purchasers, a continuing first priority
17 security interest in, and pledge to, all DIP Inventory Acquisition Line of Credit Purchasers financed
18 inventory (“**DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory**”),
19 wherever located, whether now owned or hereafter acquired or arising, and all proceeds and
20 products thereof. Debtor represents, warrants, and covenants that the security interest granted
21 herein is and shall at all times continue to be a first priority perfected security interest in the DIP
22 Inventory Acquisition Line of Credit Purchasers Financed Inventory (subject only to the lien
23 priority set forth on **Exhibit B** attached hereto). Upon payment in full of the DIP Inventory
24 Acquisition Line of Credit (other than indemnification obligations for which no claim has been
25 made) and at such time as DIP Inventory Acquisition Line of Credit Purchasers obligation to
26 purchase DIP Notes under and fund the DIP Inventory Acquisition Line of Credit has terminated,
27 DIP Note Agent shall release and terminate its liens and security interests in the DIP Inventory
28 Acquisition Line of Credit Purchasers Financed Inventory.

12. **Certain Rights Upon Liquidation of Inventory.** In the event of a cessation of the Debtor's business whereby Debtor is no longer actively pursuing ongoing sales, DIP Note Agent, on behalf of the DIP Inventory Acquisition Line of Credit Purchasers, shall have the right, without further order of the Bankruptcy Court, after ten (10) days prior written notice to the Debtor and Committee (the "**DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory Sale Notice Period**"), to sell the DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory at a cost determined by DIP Note Agent in its sole discretion but in accordance with the requirements of Article 9 of the Uniform Commercial Code. DIP Note Agent, on behalf of the DIP Inventory Acquisition Line of Credit Purchasers, shall have the right, without further order of the Bankruptcy Court, after providing written notice to the Debtor and the expiration of the applicable DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory Sale Notice Period, to sell such DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory pursuant to Article 9 of the Uniform Commercial Code. DIP Note Agent may use the Debtor's brand name(s), trademark(s), or trade name(s) and the like, directly and only related to the liquidation of such DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory unless, within such DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory Sale Notice Period, the Debtor notifies the DIP Note Agent in writing that the Debtor will pay off and satisfy in full the outstanding principal balance, together with all accrued and unpaid interest thereon, of the DIP Inventory Acquisition Line of Credit (the "**Borrower DIP Inventory Acquisition Line of Credit Payoff Notice**"). Debtor shall pay as the DIP Note Agent directs the outstanding principal balance of the DIP Inventory Acquisition Line of Credit, together with all accrued and unpaid interest thereon, within five (5) Business Days after delivery of the Borrower DIP Inventory Acquisition Line of Credit Payoff Notice. If Debtor fails to make such payment, the DIP Note Agent, on behalf of the DIP Inventory Acquisition Line of Credit Purchasers, may proceed to sell such DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory pursuant to Article 9 of the Uniform Commercial Code.

13. **Use of Cash Collateral.** The Debtor may use the Cash Collateral to pay postpetition ordinary course of business expenses to the extent allowed and permitted to be paid herein, by other

1 Bankruptcy Court order or pursuant to the Bankruptcy Code, and in accordance with, the Budget,
2 subject to: (i) the rights of the Lender and Prestige upon the occurrence of an Event of Default (as
3 defined in the Loan Documents); and (ii) the rights of the Lender and Prestige otherwise available
4 to the Lender and Prestige under this Final Order and the Bankruptcy Code. The Debtor will not,
5 without the prior written consent of Lender, engage in the use of the Cash Collateral of the Lender
6 other than to pay ordinary and necessary business and administrative expenses as set forth in, and
7 limited by, the Budget and consistent with this Final Order or other order of the Bankruptcy Court.
8 The priority of Lender and Prestige's liens in Cash Collateral is set forth in **Exhibit B** hereto, and
9 any diminution in value of any prepetition collateral, including Cash Collateral of the Prepetition
10 Secured Parties and Prestige shall be secured by postpetition replacement liens under Section 552
11 of the Bankruptcy Code, with such liens not being subject to the "equities of the case" limitations.

12 14. **Maturity and Termination.** The maturity date of the DIP Financing shall be the
13 earliest of (a) December 31, 2023, (b) the date all DIP Notes become due and payable under the
14 Loan Documents, whether by acceleration after an Event of Default or otherwise, (c) the date of
15 the closing of a Sale Transaction (as defined in the Loan Documents) or any other sale(s) of all or
16 substantially all of the Debtor's assets, including pursuant to Section 363 of the Bankruptcy Code,
17 and (d) the filing of a Chapter 11 plan that is not an Acceptable Plan (as defined in the Loan
18 Documents) (the "**Maturity Date**"). Debtor's authority to use the DIP Financing or any DIP
19 Collateral, including Cash Collateral, and the Lender's commitment to make additional advances
20 under the DIP Financing, shall each terminate upon five (5) days after the date the Lender delivers
21 a written notice of Event of Default to the Debtor, and the U.S. Trustee, unless any such event is
22 waived, cured or extended with the written consent of the Lender.

23 15. **Interest on DIP Financing.** The rate of interest to be charged on advances under
24 the DIP Financing shall be: (i) the prime rate as set in the Wall Street Journal as of the date of the
25 entry of this Final Order, plus two percent (2%) for the DIP Note Facility; (ii) the prime rate as set
26 in the Wall Street Journal as of the date of the entry of this Final Order, plus two percent (2%) for
27 the DIP Factoring Facility; and (iii) the prime rate as set in the Wall Street Journal as of the date of
28 the entry of this Final Order, plus two percent (2%) for the DIP Inventory Acquisition Line of

1 Credit.

2 16. **Payment of DIP Fees and Expenses.** The Debtor is authorized to pay all costs,
3 expenses and any other fees or other amounts payable under the terms of the Loan Documents and
4 all other reasonable, documented, out-of-pocket costs and expenses of the Lender in accordance
5 with the terms of the Loan Documents (including, without limitation, the costs and expenses of
6 legal counsel). None of such fees, costs and expenses shall be subject to Bankruptcy Court approval
7 or U.S. Trustee guidelines, and no recipient of any such payment shall be required to file with
8 respect thereto any interim or final fee application with this Bankruptcy Court. Copies of the first
9 page of invoices (in summary form and redacted, as necessary, for privileged, confidential or
10 otherwise sensitive information) with respect to such fees, expenses and costs shall be provided to
11 the U.S. Trustee, counsel for the Debtor, and counsel to the Committee, and each such party shall
12 have ten (10) days from the date of such notice within which to object in writing to such payment.

13 17. **Validity of Loan Documents.** The Loan Documents have been properly authorized
14 and entered into by Debtor and the other Note Parties, and as may be modified shall constitute, and
15 are hereby deemed on a final basis to be, the legal, valid and binding obligations of the Debtor and
16 the other Note Parties, enforceable against the Debtor and the other Note Parties in accordance with
17 the terms of the Loan Documents for all purposes: (i) during this Chapter 11 Case; (ii) in any
18 subsequently converted Chapter 11 Case of the Debtor under chapter 7 of the Bankruptcy Code;
19 and (iii) after dismissal of this Chapter 11 Case. None of the legality, validity, perfection, priority,
20 extent or enforceability of the DIP Obligations, the DIP Liens or the Loan Documents shall be
21 subject to any challenge, including, without limitation, an effort to equitably subordinate or avoid
22 the DIP Liens, by or on behalf of any Debtor or the Estate, any other Note Party, or any party in
23 interest in any proceeding, whether in Bankruptcy Court, federal court, state court, or any other
24 proceeding. Proceeds of the DIP Financing and the Cash Collateral shall be applied only to fund
25 allowed postpetition administrative expenses, the Debtor's working capital, and such other amounts
26 as are required or permitted to be paid pursuant to the Loan Documents, this Final Order and any
27 other orders of this Court, all subject to, limited by, and in accordance with, the Budget. No
28 obligation, payment, transfer or grant of security under the Loan Documents or this Final Order

shall be stayed, restrained, voided, voidable or recoverable under the Bankruptcy Code or under any applicable non-bankruptcy law, or subject to any defense, reduction, setoff, recoupment or counterclaim. The rights to invoke the “equities of the case” exception to Section 552(b) of the Bankruptcy Code, the right to surcharge the DIP Collateral and the Prepetition Secured Parties and the collateral securing the Prepetition Notes, including under Section 506(c) of the Bankruptcy Code and the right to invoke the equitable doctrine of “marshaling” with respect to the DIP Collateral and the collateral securing the Prepetition Notes has been waived and challenges proscribed by this paragraph include any challenge to such waivers.

18. **Superpriority Claim.** In accordance with Section 364(c)(1), and subject to the Carve-Out, the Lender shall have a superpriority administrative expense claim under Section 364(c)(1) (the “**Superpriority Claim**”) for the DIP Obligations against the Debtor, with priority as set forth on Exhibit B hereto in payment over any and all administrative expenses, adequate protection claims, diminution claims and all other claims against the Debtor, now existing or hereafter arising, of any kind whatsoever, including, without limitation, any and all administrative expenses or other claims of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code, including pursuant to Sections 105, 326, 328, 330, 331, 364, 503(b), 506(c), 507(a), 507(b), 546, 726, 1113 and 1114 or otherwise, including those resulting from the conversion of this case pursuant to Section 1112, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment; provided however, for purposes of Section 1129(a)(9)(A), the Superpriority Claim shall be considered an administrative expense allowed under Section 503(b) against the Debtor, and shall be payable from and have recourse to all prepetition and postpetition property of the Debtor. Except as set forth in this Final Order, no other superpriority claims shall be granted or allowed in the Chapter 11 Case.

19. **DIP Collateral.** As security for all DIP Obligations pursuant to this Final Order, the Lender is hereby granted (without the necessity of the execution by the Debtor or the filing or recordation of liens, security agreements, lock box or control agreements, financing statements, or any other instruments or otherwise), the DIP Liens, priority of which is set forth on Exhibit B hereto, on all present and after acquired property (whether tangible, intangible, real, personal or

1 mixed) of the Note Parties, wherever located, including, without limitation, all accounts, inventory,
 2 equipment, capital stock in subsidiaries of the Note Parties, including, for the avoidance of doubt,
 3 any equity or other interests in the Note Parties' non-Debtor and/or jointly-owned subsidiaries (if
 4 any), investment property, instruments, chattel paper, real estate, leasehold interests, contracts,
 5 patents, copyrights, trademarks and other general intangibles, including all causes of action under
 6 Section 541 of the Bankruptcy Code (including commercial tort claims), and all additional and
 7 accessions thereto and all substitutions and replacements thereof, and all products, accounts and
 8 proceeds thereof, including without limitation, all proceeds and accounts from the sale or transfer
 9 of the DIP Collateral and of insurance covering the same and of any tort claims in connection
 10 therewith, excluding any causes of action under Sections 502(d), 544, 545, 547, 548, 549, 550 or
 11 553, including the proceeds thereof (collectively, the "**DIP Collateral**"). All of the DIP Liens shall
 12 be created on terms, and pursuant to documentation, satisfactory to the DIP Agent, in its sole
 13 discretion. Proceeds of the DIP Collateral constituting Section 541 causes of action owned by
 14 Debtor shall be used to the extent necessary to (i) satisfy the Bankruptcy Court approved,
 15 reasonable and documented fees and costs of professionals employed by Debtor and the Committee,
 16 respectively, not to exceed the amounts of such professionals, respectively, set forth in the budget,
 17 to the extent not otherwise satisfied by the Carve-Out and (ii) any unpaid portion of the DIP
 18 Facilities, including the DIP Inventory Acquisition Line of Credit and DIP Factoring Facility, with
 19 the balance being paid to the Estate. The DIP Liens will not be subject to challenge. Upon entry
 20 of this Final Order, the DIP Liens shall be deemed to be automatically perfected as of the Petition
 21 Date, without the need for further action of any kind; provided however, that if the Lender
 22 determines, in its sole discretion, to file any financing statements, notice of liens, mortgages or any
 23 other similar instruments, the Debtor will cooperate and assist in such filings and the automatic stay
 24 shall be lifted without the need for further order of this Bankruptcy Court to allow such filings.

25 20. **Rights of Prestige.** The liens granted postpetition by the Debtor to Lender and the
 26 Prepetition Secured Parties pursuant to this Final Order shall not impair nor have any priority over,
 27 and are subject to, the prepetition liens of Prestige that are senior to those prepetition liens of Lender
 28 and the Prepetition Secured Parties pursuant to the Prestige Intercreditor Agreement. To the extent

1 this Final Order grants any other rights postpetition to Lender (including but not limited to the
2 superpriority administrative expense status), those rights shall not impair nor have any priority over,
3 and are subject to, the prepetition liens of Prestige. Notwithstanding anything contained in this
4 Order, as additional adequate protection, (i) the automatic stay of Section 362(a) is modified under
5 Section 362(d)(1) to allow Prestige to collect, and apply in partial satisfaction of its prepetition
6 claims, Debtor's prepetition Factored Accounts and any other Prepetition Accounts (as those terms
7 are defined in the Prestige Intercreditor Agreement) from the non-debtor obligors on such Factored
8 Accounts and any other Prepetition Accounts subject to Section 552(a), and apply any reserves in
9 partial satisfaction of its prepetition claims, and (ii) Prestige shall be entitled to reasonable and
10 documented postpetition fees (including attorneys fees) and out-of-pocket expenses as part of its
11 claim in accordance with its loan documents and payable subject to the value of the related
12 collateral.

13 21. **Carve Out.** The DIP Liens and Superpriority Claim granted under this Final Order
14 shall be subject to the prior payment of the (collectively, the "**Carve Out**") of up to \$250,000 for
15 unpaid reasonable and documented (and approved on a final basis by the Bankruptcy Court when
16 approval is necessary) postpetition fees and expenses incurred by professionals employed by
17 Debtor and by the Committee, respectively, but in no event shall such carve-out exceed the unpaid
18 Budget amounts (on a line by line basis) for the Debtor's and the Committee's professionals,
19 respectively, prorated up to the date in the Budget coinciding with an Event of Default. In the
20 absence of a Sale Transaction Notice (as defined in the Loan Documents), there shall be a separate,
21 post Event of Default carve-out, of \$125,000 for Debtor's professionals and \$65,000 for the
22 Committee's professionals for post Event of Default unpaid, reasonable, and documented fees and
23 expenses (approved on a final basis by the Bankruptcy Court when approval is necessary). In the
24 event of a Sale Transaction Notice, the aggregate amount of any unpaid fees, costs and expenses,
25 incurred after the delivery of a Sale Transaction Notice, will be paid when allowed and the Sale
26 Transaction is completed from the \$190,000 in funds expressly earmarked to fund professional fees
27 and costs in connection with a Sale Transaction.

28 22. **Restrictions on Granting Postpetition Liens.** Except as otherwise provided in this

1 Final Order and the Loan Documents, no claim having a priority superior or *pari passu* with those
2 granted by the Interim Orders and this Final Order to the Lender shall be granted or permitted
3 without further order of this Bankruptcy Court entered in the Chapter 11 Case, while any portion
4 of the DIP Financing (or refinancing thereof) or any other DIP Obligations are outstanding without
5 the prior written consent of the Lender. Except as expressly permitted by the Final Order and the
6 Loan Documents, the Debtor will not, at any time during the Chapter 11 Case, grant liens or security
7 interests in the DIP Collateral to any other parties pursuant to Section 364 of the Bankruptcy Code
8 or otherwise without either (i) first obtaining the prior written consent of the Lender or (ii)
9 irrevocably satisfying the DIP Obligations in full in immediately available funds as a condition to
10 the granting of such liens. Unless all DIP Obligations shall have indefeasibly been paid in full in
11 immediately available funds (or as otherwise provided in this Final Order and the Loan
12 Documents), it shall constitute an Event of Default and terminate the right of the Debtor to use the
13 DIP Financing and Cash Collateral, if the Debtor seeks, or if there is entered, any modification or
14 extension of this Final Order, without the prior written consent of the Lender.

15 23. **Automatic Effectiveness of Liens.** The DIP Liens shall not be subject to challenge
16 and shall attach and become valid, perfected, enforceable, non-avoidable and effective by operation
17 of law as of the Petition Date without any further action by the Debtor or Lender without the
18 necessity of execution by the Debtor, or the filing or recordation, of any financing statements,
19 security agreements, or other documents or the taking of any other actions. The DIP Collateral
20 shall be free and clear of other liens, claims and encumbrances, except as provided in the Loan
21 Documents and this Final Order for so long as any portion of the DIP Financing (or refinancing
22 thereof) is outstanding. The Debtor is hereby authorized and directed to execute and deliver to the
23 Lender such financing statements, security agreements, mortgages, collateral assignments,
24 instruments, and documents as the Lender requests, and the Lender is hereby authorized to file or
25 record such documents in their respective discretion without seeking modification of the automatic
26 stay under Section 362, in which event all such documents shall be deemed to have been filed or
27 recorded at the time and on the date of entry of the Final Order.

28 24. **Automatic Stay and Remedies.** As provided herein, subject only to the provisions

1 of the Loan Documents, the provisions of Section 362 are vacated and modified to the extent
2 necessary to permit the Lender, following an Event of Default and during the continuance of any
3 Event of Default thereafter, all rights and remedies provided for in the Loan Documents and this
4 Final Order without further order of this Bankruptcy Court.

5 25. **Board of Directors; Independent Director.** In accordance with the Term Sheet
6 and Loan Documents, the Bankruptcy Court approves on a final basis the appointment of Eric
7 Hillman, Paul Karr, and the independent board member, Nicholas Rubin, to comprise Debtor's
8 three (3) member board of directors. The independent director, Nicholas Rubin (the "**Independent**
9 **Director**"), is approved on a final basis and shall have sole and exclusive responsibility with respect
10 to the Debtor for: (i) protecting and recovering the assets of the Debtor, including to determine
11 whether it is in the best interest of the Debtor to reorganize under Section 1129 of the Bankruptcy
12 Code, or sell its assets in accordance with Section 363 of the Bankruptcy Code; (ii) reviewing and
13 approving the ultimate debtor-in-possession financing incurred by the Estate, as negotiated by the
14 Debtor's restructuring professionals; (iii) the investigation and determination of which Estate
15 causes of action, if any, should be pursued, prosecuted, or settled; and (iv) the maximization of
16 value for all stakeholders.

17 26. **Consent to Limited Inventory Financing by JW Nutritional LLC.** Unsecured
18 creditor and inventory supplier JW Nutritional LLC ("**JW**") shall have the right to, at its own cost
19 and expense, after the entry of the Final Order, create inventory for the Debtor's business,
20 operations and sale, which inventory shall be held and deemed owned by JW until purchased by
21 Debtor (the "**JW Financed Inventory**"). In the event of a cessation of the Debtor's business
22 whereby Debtor is no longer actively pursuing ongoing sales, JW shall have the right, without
23 further order of the Bankruptcy Court, after ten (10) days prior written notice to the Debtor,
24 Committee and DIP Note Agent (the "**JW Financed Inventory Sale Notice Period**"), to sell the
25 JW Financed Inventory pursuant to Section 2(c)(iii) of the DIP Note Agreement unless, within the
26 JW Financed Inventory Sale Notice Period, Debtor or the DIP Note Agent notifies JW in writing
27 that Debtor or the DIP Note Purchasers will purchase such inventory at the JW Financed Inventory
28 Cost (defined below). For JW Financed Inventory that was produced by JW at the request of the

Debtor that has been held by JW in excess of four (4) months, JW shall have the right, without further order of the Bankruptcy Court, after providing written notice to the Debtor and the DIP Note Agent and the expiration of the applicable JW Financed Inventory Sale Notice Period, to sell such JW Financed Inventory pursuant to Section 2(c)(iii) of the DIP Note Agreement unless, within the JW Financed Inventory Sale Notice Period, Debtor or the DIP Note Agent notifies JW in writing that Debtor or the DIP Note Purchasers will purchase such inventory at the JW Financed Inventory Cost. JW may use the Debtor's brand name(s), trademark(s), or trade name(s) and the like, directly and only related to the liquidation of such JW Financed Inventory pursuant to Section 2(c)(iii) of the DIP Note Agreement. For purposes of this Final Order, the term "**JW Financed Inventory Cost**" shall mean JW's fully loaded cost, including cost of storing product, based on the current pricing to the Borrower as of the most recent quarterly quoted price between JW and the Debtor. In the event of a Sale Transaction, the purchaser shall either (1) buy the JW Financed Inventory from JW at the JW Financed Inventory Cost, or (2) allow JW to sell the JW Financed Inventory on the terms set forth in Section 2(c)(iii) of the DIP Note Agreement.

27. **Indemnification.** The "Expense and Indemnification" provisions set forth in the Loan Documents are approved, provided however, such indemnification shall exclude out-of-pocket costs and expenses (including but not limited to reasonable and documented legal fees and expenses) arising out of post-petition litigation between the DIP Agent, on the one hand, and White Winston and/or Ryan Drexler, on the other hand, regarding the Prepetition Notes (as defined in the Loan Documents) or claims between those parties, including any claims that may be prosecuted in the Chapter 11 Case, that are not Debtor or Estate claims. For the avoidance of doubt, the excluded out-of-pocket costs and expenses are intended to be inclusive of discovery concerning claims related to the Prepetition Notes of the DIP Agent, on the one hand, and White Winston and/or Ryan Drexler, on the other hand, conducted by 2004 examination,

28. **Factoring and Other Reporting.** Debtor, or another party designated by Debtor and the DIP Factoring Agent, shall provide a weekly factoring report to the DIP Agents and the Committee identifying each DIP account ("**DIP Account**") purchased, the purchase amount of such DIP Account, the date the DIP Account is due and the days overdue of any overdue DIP Account,

the amount of the DIP Account due, and any payments received. The DIP Agents shall confirm whether or not DIP Agents agree with the information in each weekly factoring report. Further, the Debtor shall deliver to the DIP Note Agent and the Committee copies of all non-privileged reports of the financial and restructuring advisors of the Debtor as reasonably requested by the DIP Note Agent, including but not limited to: (i) any analysis of cash flows, forecasts, and potential cost savings initiatives; (ii) transaction marketing material (CIMs / MPs); (iii) investor outreach list; (iv) sale process updates; and (v) proposed sources and uses of funds at emergence from bankruptcy.

29. **Forensic Accountant.** At the request of the DIP Agent and approval of the Board of Directors, the Debtor shall retain a forensic accountant reasonably acceptable to the DIP Agent (the “**Forensic Accountant**”) to review and analyze all Debtor’s bank statements for three (3) or more years prior to the Petition Date and any other documents and information necessary to investigate payments and transfers from Debtor to determine whether they are avoidable under federal and state law. The DIP Agent will increase the DIP Facility in the amount necessary to pay for the forensic accounting in an amount agreed to be the DIP Agent and the Debtor.

30. **No Creation or Evidence of Liability to Third Parties or Alter Ego Relationship.** The Lender shall not be found or deemed to be an alter ego of any of the Debtor, in a partnership of any kind with any of the Debtor, in a principal-agent relationship with the Debtor or otherwise liable for any liabilities of any of the Debtor, and the Debtor shall not be found or deemed to be a mere instrumentality of the Lender as a result of the Lender deciding to advance the DIP Financing to the Debtor, negotiating and entering into the Loan Documents and this Final Order, administering the DIP Financing, consenting to the Budget, or taking any other actions permitted by the Final Order or the Loan Documents, and no such action (or conduct taken in furtherance of or comprising an integral part of any such action) shall be admissible in any proceeding as evidence that the Lender is the alter ego, partner, principal of, or otherwise liable for any liability of the Debtor.

31. **Binding Effect.** The provisions of this Final Order shall be binding upon and inure to the benefit of the Lender, the Debtor, and all parties in interest, and their respective successors and assigns (including any Chapter 7 or Chapter 11 trustee hereinafter appointed or elected, an

1 examiner appointed pursuant to Section 1104 of the Bankruptcy Code or any other fiduciary
2 appointed as a legal representative of the Debtor or with respect to the property of the Estate). To
3 the extent permitted by applicable law, this Final Order shall bind any trustee hereafter appointed
4 for the Estate, whether in this Chapter 11 Case or in the event of the conversion to a liquidation
5 under Chapter 7 of the Bankruptcy Code. Such binding effect is an integral part of this Final Order.

6 32. **Survival.** The provisions of this Final Order and any actions taken pursuant hereto
7 shall survive the entry of any order, including an order: (a) confirming any plan of reorganization
8 or liquidation in this Chapter 11 Case (and, to the extent not irrevocably satisfied in full in
9 immediately available funds, the DIP Obligations shall not be discharged by the entry of any such
10 order pursuant to Section 1141(d)(4) of the Bankruptcy Code, or otherwise); (b) converting the
11 Chapter 11 Case to a Chapter 7 case; or (c) dismissing the Chapter 11 Case. The terms and
12 provisions of this Final Order, as well as the DIP Obligations and the DIP Liens granted pursuant
13 to this Final Order and the Loan Documents shall continue in full force and effect notwithstanding
14 the entry of any such order. The DIP Obligations and the DIP Liens shall maintain their priority as
15 provided by this Final Order and the Loan Documents and to the maximum extent permitted by
16 law, until all of the DIP Obligations are indefeasibly paid in full and discharged. In no event shall
17 any plan of reorganization be allowed to alter the terms of repayment of any of the DIP Obligations
18 from those set forth in the Loan Documents without the written consent of the Lender. Unless all
19 DIP Obligations shall have indefeasibly been paid in full, it shall constitute an Event of Default and
20 terminate the right of the Debtor to use Cash Collateral under this Final Order if Debtor seeks, or
21 if there is entered, (x) any modification or extension of this Final Order without the prior written
22 consent of the Lender, or (y) an order converting or dismissing the Chapter 11 Case.

23 33. **Non-Material Modifications of the Loan Documents.** The Debtor and the Lender
24 are hereby authorized to implement, in accordance with the terms of the Loan Documents and this
25 Final Order, any non-material modifications of the Loan Documents without further order of this
26 Bankruptcy Court; *provided* that the Debtor shall provide notice of any such modifications to
27 counsel for the Committee and the U.S. Trustee.

28 34. **Protection Under Section 364(e).** If any or all of the provisions of this Final Order

1 are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacation or stay
2 shall not affect the (i) validity of any DIP Obligations owing to the Lender incurred prior to the
3 actual receipt by both Lender of written notice of the effective date of such reversal, modification,
4 vacation or stay, or (ii) validity or enforceability of any claim, lien, security interest or priority
5 authorized or created hereby or pursuant to the Loan Documents with respect to any DIP
6 Obligations. Notwithstanding any such reversal, modification, vacation or stay, any use of Cash
7 Collateral or the incurrence of DIP Obligations by the Debtor prior to the actual receipt by both
8 Lender of written notice of the effective date of such reversal, modification, vacation or stay, shall
9 be governed in all respects by the provisions of this Final Order, and the Loan Documents and any
10 paperwork issued pursuant to and in conformance therewith, and the Lender shall be entitled to all
11 of the rights, remedies, protections and benefits granted under Section 364(e) of the Bankruptcy
12 Code, this Final Order and the Loan Documents with respect to all uses of Cash Collateral and the
13 incurrence of DIP Obligations.

14 35. **Choice of Law; Jurisdiction; Standing.** The DIP Financing and the Loan
15 Documents and any paperwork issued pursuant to and in conformance therewith, (and the rights
16 and obligations of the parties thereto) shall be governed by, and construed in accordance with, the
17 laws of the State of Nevada, without regard to the conflict of law principles thereof. Each party to
18 the Loan Documents will waive the rights to trial by jury and will consent to jurisdiction of the
19 Bankruptcy Court for so long as the Chapter 11 Case remains open and, thereafter, the state and
20 federal courts set forth in the Loan Documents executed between and among the parties. The
21 Lender shall have standing, as a party-in-interest under Section 1109(b) of the Bankruptcy Code,
22 to raise and appear and be heard on any issue in the Chapter 11 Case.

23 36. **Findings of Fact and Conclusions of Law.** This Final Order constitutes, where
24 applicable, findings of fact and conclusions of law and shall take effect and be fully enforceable
25 immediately upon the entry thereof. Findings of fact shall be construed as conclusions of law, and
26 conclusions of law be construed as findings of fact, pursuant to Bankruptcy Rule 7052.

27 37. **Final Order Effective.** This Final Order shall take effect immediately
28 notwithstanding anything to the contrary prescribed by applicable law.

1 38. **Final Order Controlling; Failure to Specify Provisions.** In the event of a material
2 conflict between this Final Order and the Loan Documents, the Final Order shall control, provided
3 that there shall not be deemed a material conflict as a result of the Loan Documents including
4 additional terms and provisions from this Final Order, and the failure specifically to include any
5 particular provisions of the Loan Documents in this Final Order shall not diminish or impair the
6 effectiveness of such provision, it being the intent of the Bankruptcy Court, and the Debtor and the
7 Lender, that this Final Order and the Loan Documents be read together and consistent with one
8 another, and that any paperwork issued pursuant to and in conformance therewith, are authorized
9 and approved in their entirety with such amendments thereto as may be made by the parties in
10 accordance with this Final Order.

11 39. **Interim Orders Superseded by this Final Order; Exceptions.** Except to the
12 extent that that any of the Lender's and the DIP Agent's rights, remedies, claims, security interests
13 and priorities granted by the Bankruptcy Court during the period from the Petition Date to the entry
14 of this Final Order would be diminished in any way, the Interim Orders are superseded by this Final
15 Order.

16 40. **Retention of Jurisdiction.** The Bankruptcy Court shall retain jurisdiction to hear
17 and determine all matters arising from the implementation of this Final Order.

18 **IT IS SO ORDERED.**

(a) Grant of Security Interest.

(i) To secure the payment and performance in full of all of the Obligations, the Note Parties hereby grant to the DIP Note Agent, as collateral agent for the DIP Note Purchasers, a continuing first priority security interest in, and pledge to Lender, the DIP Collateral, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof. Each Note Party represents, warrants, and covenants that the security interest granted herein is and shall at all times continue to be a first priority perfected security interest in the DIP Collateral (subject only to the Carve-Out and the lien priority set forth on Schedule IV attached hereto). Upon payment in full of the Obligations (other than indemnification obligations for which no claim has been made) and at such time as DIP Note Purchasers' obligation to purchase DIP Notes has terminated, DIP Note Agent shall release and terminate its liens and security interests in the DIP Collateral.

(ii) To secure the payment and performance in full of the DIP Inventory Acquisition Line of Credit, and without limiting any other security interest granted herein, Borrower hereby grants to the DIP Note Agent, as collateral agent for the DIP Inventory Acquisition Line of Credit Purchasers, a continuing first priority security interest in, and pledge to, all DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof. Borrower represents, warrants, and covenants that the security interest granted herein is and shall at all times continue to be a first priority perfected security interest in the DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory (subject only to the lien priority set forth on Schedule IV attached hereto). Upon payment in full of the DIP Inventory Acquisition Line of Credit (other than indemnification obligations for which no claim has been made) and at such time as DIP Inventory Acquisition Line of Credit Purchasers obligation to purchase DIP Notes under and fund the DIP Inventory Acquisition Line of Credit has terminated, DIP Note Agent shall release and terminate its liens and security interests in the DIP Inventory Acquisition Line of Credit Purchasers Financed Inventory.

(b) Subordination of Prepetition Obligations. Subject to Schedule IV and the Final Order, all obligations judicially determined to be due and owing on account of the Prepetition Notes, the Prepetition Note Liens and/or the prepetition factoring facility, if any, and liens granted in the DIP Collateral shall be subject to this Agreement and shall be subordinate in all ways to the Lender's liens on the DIP Collateral hereunder.

(c) Authorization to File Financing Statements. The Note Parties hereby authorize DIP Note Agent to file financing statements or other security documents, without notice to the Note Parties, with all appropriate jurisdictions to perfect or protect DIP Note Agent's and DIP Note Purchasers' interest or rights hereunder, including a notice that any disposition of the DIP Collateral (other than in accordance with this Agreement or order of the Bankruptcy Court), by either Borrower or any other Note Party, shall be deemed to violate the rights of DIP Note Agent and DIP Note Purchasers under the Code. Without limiting the foregoing, the Note Parties hereby authorize DIP Note Agent to file financing statements and other security documents which describe the collateral as "all assets" and/or "all personal property" of the Note Parties or words of similar import. Nothing in this Agreement shall limit the effectiveness of DIP Note Agent's and

DIP Note Purchasers' liens and claims pursuant to the Second Interim DIP Order or the Final Order.

10. Administrative Priority; Lien Priority; Adequate Protection.

(a) The Obligations of Borrower will, at all times, constitute allowed administrative expenses in the Chapter 11 Case, having priority in payment over all other administrative expenses and unsecured claims against Borrower now existing or hereafter arising, of any kind or nature whatsoever, including without limitation all administrative expenses of the kind specified in, or arising or ordered under, Sections 105, 326, 327, 328, 330, 503(b), 506(c), 507(a), 507(b), 546(c), 726 and 1114 of the Bankruptcy Code, except as to the Carve-Out and the co-priority and subordination of Liens set forth on Schedule IV attached hereto and the Final Order.

(b) Pursuant to Section 364(d)(1) of the Bankruptcy Code, the Second Interim Order and the Final Order, all Obligations will be secured by a perfected priming first priority Lien on the DIP Collateral, except as to the Carve-Out and the co-priority and subordination of Liens set forth on Schedule IV attached hereto and the Final Order.

(c) The Prepetition Collateral Agent, on behalf of the Prepetition Secured Parties, shall receive, to the extent of any aggregate diminution in the value of their collateral, subject to the Carve-Out: (a) valid, binding, enforceable, and automatically and properly perfected replacement liens on and security interests in the DIP Collateral (the "Prepetition Notes Adequate Protection Liens"), subject to the co-priority and subordination of Liens described in Schedule IV attached hereto (which is reflective of existing intercreditor and subordination agreements which shall remain binding with respect to such lien priority) and the Final Order; and (b) allowed super-priority administrative expense claims in the Chapter 11 Case having priority over all administrative expenses of the kind specified in, or ordered pursuant to, section 364(c)(1) of the Bankruptcy Code (the "Prepetition Notes Adequate Protection Claims"), subject to the co-priority and subordination of Liens described in Schedule IV attached hereto (which is reflective of existing intercreditor and subordination agreements which shall remain binding with respect to such lien priority) and the Final Order.

(d) Prestige (or its successor-in-interest) shall receive, to the extent of any aggregate diminution in the value of its pre-petition collateral: (a) valid, binding, enforceable, and automatically and properly perfected replacement liens on and security interests in the DIP Collateral (the "Prestige Adequate Protection Liens"), subject to the co-priority and subordination of Liens described in Schedule IV attached hereto (which is reflective of existing intercreditor and subordination agreements which shall remain binding with respect to such lien priority) and the Final Order; and (b) allowed super-priority administrative expense claims in the Chapter 11 Case having priority over all administrative expenses of the kind specified in, or ordered pursuant to, section 364(c)(1) of the Bankruptcy Code (the "Prestige Adequate Protection Claims"), subject to the co-priority and subordination of Liens described in Schedule IV attached hereto (which is reflective of existing intercreditor and subordination agreements which shall remain binding with respect to such lien priority) and the Final Order.

(e) The Prepetition Collateral Agent shall be entitled to reimbursement of its reasonable and documented fees and out- of-pocket expenses.

(f) The Prepetition Collateral Agent shall be entitled to reimbursement of its respective reasonable and documented fees and out-of-pocket expenses of one primary counsel and one local counsel (if applicable), and one financial advisor.

(g) The Prepetition Collateral Agent, on behalf of itself and the Prepetition Secured Parties, shall be entitled to performance of the Milestone Requirements.

(h) Interest at the default rate specified in the Prepetition Notes shall continue to accrue under the terms of the Prepetition Notes.

(i) The Creditors Committee shall have until April 10, 2023 to investigate and challenge and otherwise object to the allowance of the Allowed Claim (the “Creditors’ Committee Challenge Period”). White Winston shall have until March 9, 2023 to investigate and challenge and otherwise object to the allowance of the Allowed Claim (other than challenges and objections based upon Borrower’s bankruptcy estate’s claims) (“White Winston Challenge Period” and, together with the Creditors’ Committee Challenge Period, the “Challenge Period”). To the extent the principal amount of the Allowed Claim is successfully challenged (such amount, the “Disallowed Claim”) such that the Allowed Claim is less than the Roll-Up Amount, then the Roll-Up Amount shall be reduced by the amount of the Disallowed Claim such that the Roll-Up Amount equals the Allowed Claim. If an objection to the Prepetition Secured Parties’ prepetition claim is timely filed during the applicable Challenge Period in the Bankruptcy Court, then: (i) the Prepetition Secured Parties’ prepetition claim shall not be deemed an “allowed claim” to the extent objected to in such objection absent the Prepetition Collateral Agent obtaining a further order of the Bankruptcy Court, unless the objection is withdrawn; (ii) the Prepetition Collateral Agent shall not be entitled to the Prepetition Collateral Agent Credit Bid Obligations unless the Prepetition Collateral Agent obtains a further order of the Bankruptcy Court, unless the objection is withdrawn; (iii) if a sale of Borrower’s assets occurs before such claim objection is resolved, such sale proceeds will be held by the estate to the extent of the objection unless the Prepetition Collateral Agent obtains a further order of the Bankruptcy Court, unless the objection is withdrawn; and (iv) the releases set forth in Section 11(c) of this Agreement are not a defense to such claim objection brought by White Winston in the Bankruptcy Court (if such objection is brought during the Challenge Period). The Creditors’ Committee may use up to Fifty Thousand Dollars (\$50,000) of the fees and costs of the Creditors’ Committee in the Authorized Budget to investigate, challenge, object to or contest the validity, security, perfection, priority, extent or enforceability of any amount due under, or the liens under the Prepetition Notes. The DIP Note Agent reserves its’ right to respond to any challenge raised by the Creditors’ Committee, White Winston or any other party. For the avoidance of doubt, a challenge by either the Borrower or the Creditors’ Committee of the Prepetition Secured Parties’ prepetition claims in excess of Twelve Million Eight Hundred Forty Thousand Dollars (\$12,840,000) is not limited by the Challenge Period.

(j) Subject to the express limitations contained in Section 10(i) above, Borrower agrees that in any sale of the DIP Collateral, the Prepetition Collateral Agent, on behalf of the Prepetition Secured Parties, shall have the right to credit bid an amount not less than Twelve Million Eight Hundred Forty Thousand Dollars (\$12,840,000) which is the principal amount of the Prepetition Notes, including the original issue discount, in addition to the obligations under the DIP Facilities, or such greater amount as allowed by the Bankruptcy Court, in accordance with section 363(k) of

the Bankruptcy Code, and that any motion filed by Borrower seeking approval of bid procedures shall contain a request for approval of the right of the Prepetition Collateral Agent to credit bid the obligations of the Prepetition Purchasers; provided, however, the DIP Note Agent, the Creditors' Committee and White Winston's rights shall be reserved with respect to the terms of this Section 10(j).

(k) Except to the extent of the Carve-Out, no costs or expenses of administration or other charge, lien, assessment or claim incurred on or after the Petition Date of any Person or entity shall be imposed against the DIP Note Purchasers, the DIP Factoring Purchaser or the DIP Note Agent, their respective claims or the Prepetition Notes or Prepetition Note Liens under section 506(c) of the Bankruptcy Code or otherwise, and Borrower hereby irrevocably waives any and all such rights, remedies and benefits under section 506(c) of the Bankruptcy Code.

11. Indemnification; Expenses; Releases; Waivers.

(a) Indemnification. The Note Parties agree, joint and severally, to indemnify and hold and save harmless the DIP Agents, each DIP Note Purchaser, each DIP Factoring Purchaser, its and their respective Affiliates and each of their respective directors, officers, employees, agents, advisors, or representatives (collectively, "Indemnitees") from and against any and all losses, damages, claims, actions, demands, liabilities or out-of-pocket costs and expenses of any kind whatsoever (including reasonable and documented attorneys' fees and expenses) (collectively, "Claims") incurred by or asserted or awarded against any Indemnatee (including in connection with any investigation, litigation or proceeding or the preparation of a defense in connection therewith) arising in any way directly or indirectly out of the transactions contemplated by this Agreement, the DIP Documents, and the transactions contemplated by this Agreement and the DIP Documents and any actual or proposed use of the proceeds of any DIP Notes issued under the DIP Note Facility, provided that no such person will be indemnified for such Claims to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of the gross negligence or willful misconduct of such person, and further, provided, the foregoing indemnity shall exclude out-of-pocket costs and expenses (including but not limited to reasonable and documented legal fees and expenses) arising out of post-petition litigation between the DIP Note Agent, on the one hand, and White Winston and/or Ryan Drexler, on the other hand, regarding the Prepetition Notes or claims between those parties that are not the Borrower's or the Borrower's bankruptcy estate's claims, including any claims that may be prosecuted in the Chapter 11 Case. For the avoidance of doubt, the excluded out-of-pocket costs and expenses are intended to be inclusive of discovery concerning claims related to the Prepetition Notes of the DIP Note Agent, on the one hand, and White Winston and/or Ryan Drexler, on the other hand, conducted by 2004 examination. The foregoing indemnity shall be effective whether or not such any such investigation, litigation, or other proceeding to which the indemnity applies is brought by any Note Party, any of their respective directors, officers, managers, security holders, creditors, an Indemnified Party or any other Person and whether or not an Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated.

(b) Expenses. The Note Parties shall pay, in connection with the Chapter 11 Case and the negotiation and documentation of the DIP Facilities and restructuring matters with respect to the Note Parties, all incurred (i) reasonable and documented legal fees and out-of-pocket expenses

of counsel for the DIP Agents and reasonable and documented legal fees and out-of-pocket expenses of Schulte Roth & Zabel, LLP and Garman Turner Gordon LLP, counsel for Empery, in its capacity as a DIP Note Purchaser, DIP Factoring Purchaser, and the DIP Agents; and (ii) reasonable and documented fees and out-of-pocket expenses of any financial advisor for the DIP Agents. In addition, the Note Parties shall pay, in connection with workout proceedings and enforcement costs associated with the DIP Facilities, all incurred (i) reasonable and documented legal fees and out-of-pocket expenses of counsel for the DIP Agents and reasonable and documented legal fees and out-of-pocket expenses legal fees and out-of-pocket expenses of Schulte Roth & Zabel, LLP and Garman Turner Gordon LLP, counsel for Empery, in its capacity as a DIP Note Purchaser; and (ii) reasonable and documented fees and out-of-pocket expenses of any financial advisor for the DIP Agents. Such fees and expenses shall be part of the Obligations and the DIP Note Purchaser, DIP Factoring Purchaser, and the DIP Agents' claim(s).

(c) Releases. Pursuant to the Final Order, for good and valuable consideration, including facilitation of the DIP Facilities, the Note Parties, on behalf of themselves, and Borrower, on behalf of its bankruptcy estate (collectively, the "Releasors"), hereby release any and all claims, obligations, rights, suits, damages, causes of action, remedies and liabilities whatsoever, including any derivative claims asserted or which could be asserted on behalf of the Releasors, whether known or unknown, foreseen or unforeseen, existing in law, equity or otherwise, that the Releasors would have been legally entitled to assert in their own right, whether individually or collectively, including claims based on or relating to, or in any manner arising from, in whole or in part, the Chapter 11 Case restructuring, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any security of the Note Parties, the subject matter of, or the transactions or events giving rise to, any claim or equity security, or any other act or omission, transaction, agreement, event or other occurrence relating to the Borrower, the Prepetition Notes or the Prepetition Liens, taking place on or before the date of this Agreement, against the DIP Note Agent in its capacity as such, the DIP Note Purchasers in their capacities as such, the DIP Factoring Purchasers in their capacities as such, and, except to the extent successfully challenged in a challenge brought in the applicable Challenge Period, the Prepetition Collateral Agent in its capacity as such, and the Prepetition Purchasers in their capacities as such (collectively, the "Releasees"). The foregoing releases shall not be a defense to an objection to the prepetition claims of the Prepetition Collateral Agent in its capacity as such and the Prepetition Purchasers in their capacity as such brought in the Bankruptcy Court, provided such objection is timely brought during the applicable Challenge Period. Any claims arising out of the breach of this Agreement by any party are excluded from the releases provided in this Section 11(c), and, in the event of any such breach, the non-breaching party shall be entitled to pursue any and all rights, claims and damages that it may have against the other party as a result of such breach.

(d) DIP Waivers. Pursuant to the Final Order, the Releasors hereby waive (i) any and all claims of the Note Parties, on behalf of themselves, and Borrower, on behalf of its bankruptcy estate, arising from or related to (A) the DIP Agents or any DIP Note Purchaser or any DIP Factoring Purchaser, in each of their respective capacities as such, or (B) the DIP Documents; including, without limitation, the waiver of any and all rights to challenge the validity, perfection, priority, extent or enforceability of the claims or Liens securing the Obligations, including without limitation seeking to equitably subordinate or avoid the Liens securing the Obligations, (ii) the "equities of the case" exception to Section 552(b) of the Bankruptcy Code, (iii) the ability to surcharge the DIP Collateral, and subject to entry of the Final Order, the collateral securing the

Prepetition Notes, including under Section 506(c) of the Bankruptcy Code, and (iv) the equitable doctrine of “marshaling” with respect to the DIP Collateral, and subject to entry of the Final Order, the collateral securing the Prepetition Notes.

12. The DIP Note Agent.

(a) Appointment and Authorization. Each DIP Note Purchaser hereby designates and appoints the DIP Note Agent as its DIP Note Agent and collateral agent under this Agreement and the other DIP Documents and each DIP Note Purchaser hereby irrevocably authorizes the DIP Note Agent to take such action on its behalf under the provisions of this Agreement and each other DIP Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other DIP Document, together with such powers as are reasonably incidental thereto. The DIP Note Agent agrees to act as such on the express conditions contained in this Section 12. The provisions of this Section 12 are solely for the benefit of the DIP Note Agent and the DIP Note Purchasers, and no Note Party shall have any rights as a third party beneficiary of any of the provisions contained herein. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other DIP Document, the DIP Note Agent shall not have any duties or responsibilities, except those expressly set forth herein, nor shall the DIP Note Agent have or be deemed to have any fiduciary relationship with any DIP Note Purchaser, and no implied covenants, functions, responsibilities, duties, obligations, or liabilities shall be read into this Agreement or any other DIP Document or otherwise exist against the DIP Note Agent. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Except as expressly otherwise provided in this Agreement, the DIP Note Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions which the DIP Note Agent is expressly entitled to take or assert under this Agreement and the other DIP Documents, including the exercise of rights and remedies pursuant to Section 8, and any action so taken or not taken shall be deemed consented to by the DIP Note Purchasers.

(b) Delegation of Duties. The DIP Note Agent may execute any of its duties under this Agreement or any other DIP Document by or through agents, sub-agents, employees, or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The DIP Note Agent shall not be responsible for the negligence or misconduct of any agent, sub-agent, employee, or attorney-in-fact that it selects as long as such selection was made without gross negligence or willful misconduct.

(c) Liability of the DIP Note Agent. The DIP Note Agent shall not (x) be liable for any action taken or omitted to be taken by it under or in connection with this Agreement or any other DIP Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct as determined by a final, non-appealable judgment of a court of competent jurisdiction), or (y) be responsible in any manner to any of the DIP Note Purchasers for any recital, statement, representation, or warranty made by Borrower contained in this Agreement or in any other DIP Document, or in any certificate, report, statement, or other document referred to or provided for in, or received by the DIP Note Agent under or in connection with, this Agreement or any other DIP Document, or the validity, effectiveness, genuineness, enforceability, or sufficiency of this Agreement or any other DIP Document, or for any failure of Borrower to

perform its obligations hereunder or thereunder. The DIP Note Agent shall not be under any obligation to any DIP Note Purchaser to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other DIP Document, or to inspect the properties, books, or records of Borrower or any affiliate of Borrower.

Without limiting the generality of the foregoing, the DIP Note Agent: (i) shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other DIP Documents that the DIP Note Agent is required to exercise as directed in writing by the DIP Consenting Secured Parties; provided that the DIP Note Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Person to liability or that is contrary to any DIP Document or applicable requirements of law; and (ii) shall, except as expressly set forth herein and in the other DIP Documents, have no duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrower or any of their affiliates that is communicated to or obtained by the Person serving as DIP Note Agent or any of its affiliates in any capacity.

(d) Reliance by the DIP Note Agent.

(i) The DIP Note Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, e-mail, facsimile, telex, or telephone message, statement, or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to Borrower), independent accountants, and other experts. The DIP Note Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other DIP Document unless it shall first receive such advice or concurrence of the DIP Consenting Secured Parties as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the DIP Note Purchasers against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The DIP Note Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other DIP Document in accordance with a request or consent of the DIP Consenting Secured Parties (or all DIP Note Purchasers if so required by the terms of this Agreement) and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the DIP Note Purchasers.

(ii) For purposes of determining compliance with the conditions specified in Section 4, each DIP Note Purchaser that has executed this Agreement shall be deemed to have consented to, approved, or accepted or to be satisfied with, each document or other matter either sent by the DIP Note Agent to such DIP Note Purchaser for consent, approval, acceptance, or satisfaction, or required thereunder to be consented to or approved by or acceptable or satisfactory to such DIP Note Purchaser.

(e) Notice of Default. The DIP Note Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless the DIP Note Agent shall have received written notice from a DIP Note Purchaser or Note Party referring to this Agreement,

describing such Default or Event of Default and stating that such notice is a “notice of default.” The DIP Note Agent will notify the DIP Note Purchasers of its receipt of any such notice.

(f) Credit Decision. Each DIP Note Purchaser acknowledges that the DIP Note Agent has not made any representation or warranty to it, and that no act by the DIP Note Agent hereinafter taken, including any review of the affairs of Borrower and their affiliates, shall be deemed to constitute any representation or warranty by the DIP Note Agent to any DIP Note Purchaser. Each DIP Note Purchaser represents to the DIP Note Agent that it has, independently and without reliance upon the DIP Note Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition, and creditworthiness of Borrower and their affiliates and made its own decision to enter into this Agreement and to extend credit to Borrower. Each DIP Note Purchaser also represents that it will, independently and without reliance upon the DIP Note Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals, and decisions in taking or not taking action under this Agreement and the other DIP Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition, and creditworthiness of Borrower. Except for notices, reports, and other documents expressly herein required to be furnished to the DIP Note Purchasers by the DIP Note Agent, the DIP Note Agent shall not have any duty or responsibility to provide any DIP Note Purchaser with any credit or other information concerning the business, prospects, operations, property, financial and other condition, or creditworthiness of Borrower which may come into the possession of the DIP Note Agent.

(g) The DIP Note Agent in Individual Capacity. With respect to its DIP Notes, the DIP Note Agent as a DIP Note Purchaser shall have the same rights and powers under this Agreement as any other DIP Note Purchaser and may exercise the same as though it were not the DIP Note Agent, and the terms “DIP Note Purchaser” and “DIP Note Purchasers” include the DIP Note Agent in its individual capacity as a DIP Note Purchaser hereunder.

(h) Successor DIP Note Agent. The DIP Note Agent may resign as the DIP Note Agent upon thirty (30) days’ notice to the DIP Note Purchasers and Borrower, such resignation to be effective, subject to the next succeeding paragraph of this Section 12(h), upon the acceptance of a successor agent to its appointment as DIP Note Agent. If the DIP Note Agent resigns under this Agreement, the DIP Consenting Secured Parties shall appoint a successor agent for the DIP Note Purchasers. Upon the acceptance of its appointment as successor agent hereunder, such successor agent shall succeed to all the rights, powers, and duties of the retiring DIP Note Agent and the term “DIP Note Agent” shall mean such successor agent and the retiring DIP Note Agent’s appointment, powers, and duties as the DIP Note Agent shall be terminated. After any retiring DIP Note Agent’s resignation hereunder as DIP Note Agent, the provisions of this Section 12(h) shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the DIP Note Agent under this Agreement.

If no such successor DIP Note Agent shall have been so appointed by the DIP Note Purchasers and shall have accepted such appointment within thirty (30) days after the retiring DIP Note Agent gives notice of its resignation then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring DIP Note Agent shall be discharged from its

duties and obligations hereunder and under the other DIP Documents (except that in the case of any DIP Collateral held by the DIP Note Agent on behalf of the DIP Note Purchasers under any of the DIP Documents, the retiring DIP Note Agent shall continue to hold such DIP Collateral as nominee until such time as a successor DIP Note Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through an DIP Note Agent shall instead be made by or to each DIP Note Purchaser directly, until such time as the DIP Note Purchasers appoint a successor DIP Note Agent as provided for above in this Section 12(h).

(i) After the replaced or retiring DIP Note Agent's replacement or resignation hereunder and under the other DIP Documents, the provisions of this Section 12 and Section 11 shall continue in effect for the benefit of such replaced or retiring DIP Note Agent and its sub-agents in respect of any actions taken or omitted to be taken by any of them while the replaced or retiring DIP Note Agent was acting as DIP Note Agent.

(i) Restrictions on Actions by the DIP Note Purchasers; Sharing of Payments.

(i) Each DIP Note Purchaser hereby waives any and all rights to set-off against the Obligations, any amounts owing by such DIP Note Purchaser to Borrower or any accounts unrelated to the DIP Notes of Borrower now or hereafter maintained with such DIP Note Purchaser. Each of the DIP Note Purchasers further agrees that it shall not take or cause to be taken any action to enforce its rights under this Agreement or against Borrower, including the commencement of any legal or equitable proceedings, to foreclose any Lien on, or otherwise enforce any security interest in, any of the DIP Collateral.

(ii) If at any time or times any DIP Note Purchaser shall receive (i) by payment, foreclosure, setoff or otherwise, any proceeds of DIP Collateral or any payments with respect to the Obligations owing to such DIP Note Purchaser arising under, or relating to, this Agreement or the other DIP Documents, except for any such proceeds or payments received by such DIP Note Purchaser from the DIP Note Agent pursuant to the terms of this Agreement, or (ii) payments from the DIP Note Agent in excess of such DIP Note Purchaser's pro rata share of all such distributions by the DIP Note Agent, such DIP Note Purchaser shall promptly turn the same over to the DIP Note Agent, in kind, and with such endorsements as may be required to negotiate the same to the DIP Note Agent, or in same day funds, as applicable, for the account of all of the DIP Note Purchasers and for application to the Obligations in accordance with the applicable provisions of this Agreement.

(j) Agency for Perfection. Each DIP Note Purchaser hereby appoints each other DIP Note Purchaser as agent for the purpose of perfecting the DIP Note Purchasers' security interest in assets which, in accordance with Article 9 of the UCC, can be perfected by possession. Should any DIP Note Purchaser (other than the DIP Note Agent) obtain possession of any such DIP Collateral, such DIP Note Purchaser shall notify the DIP Note Agent thereof, and, promptly upon the DIP Note Agent's request therefor shall deliver such DIP Collateral to the DIP Note Agent or otherwise deal with such DIP Collateral in accordance with the DIP Note Agent's instructions.

(k) Payments by the DIP Note Agent to the DIP Note Purchasers. All payments to be made by the DIP Note Agent to the DIP Note Purchasers shall be made by bank wire transfer of

immediately available funds to each DIP Note Purchaser pursuant to wire transfer instructions delivered in writing to the DIP Note Agent on or prior to the date hereof, or pursuant to such other wire transfer instructions as each party may designate for itself by written notice to the DIP Note Agent. Concurrently with each such payment, the DIP Note Agent shall identify whether such payment (or any portion thereof) represents principal, premium, or interest on the DIP Notes or otherwise.

(l) Concerning the DIP Collateral and the Related DIP Documents. Each DIP Note Purchaser authorizes and directs the DIP Note Agent to enter into this Agreement and the other DIP Documents relating to the DIP Collateral for the benefit of the DIP Note Agent and the DIP Note Purchasers. Each DIP Note Purchaser agrees that any action taken by the DIP Note Agent in accordance with the terms of this Agreement or the other DIP Documents relating to the DIP Collateral, and the exercise by the DIP Note Agent of its respective powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the DIP Note Purchasers.

(b) Entire Agreement; Severability. This Agreement together with the DIP Factoring Agreement, the other DIP Documents, the Interim DIP Order and the Final Order, sets forth the parties' entire agreement and understanding in respect of the subject matter contained herein. Notwithstanding the foregoing, however, the Interim DIP Order and the Final Order, as applicable, shall continue to govern the terms and conditions of the transactions contemplated hereby to the extent materially inconsistent with, or address matters not addressed in, this Agreement or the other DIP Documents. It shall not be deemed a material inconsistency as a result of this Agreement or the other DIP Documents including additional terms and provisions not included in the Final Order and the failure specifically to include any particular provisions of this Agreement or the other DIP Documents in the Final Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Bankruptcy Court, the Note Parties, the DIP Note Agent and the DIP Note Purchasers that this Agreement, the DIP Documents and the Final Order be read together and consistent with one another. If any term or provision hereof, or its application to any Person or circumstance, shall to any extent be invalid or unenforceable, the remainder of this Agreement, or the application of such terms to Persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby and each term hereof shall be valid and enforceable to the fullest extent permitted by applicable law.

(c) Assignment. Neither this Agreement nor any of the rights, interests or obligations of Borrower hereunder shall be assigned or otherwise transferred by such Borrower, nor may Borrower delegate performance hereunder, except with each DIP Note Purchaser's prior written consent. (a) Certain Actions Following a Default. If any Event of Default shall occur and be continuing, upon compliance with the terms and conditions of the Interim DIP Orders or Final Order, as applicable, then the DIP Factoring Agent, solely with the consent of the DIP Consenting Secured Parties, shall (i) reduce the amount of, or terminate, any or all of the Aggregate DIP Factoring Purchase Commitment of the DIP Factoring Purchasers, (ii) terminate this Agreement upon written notice to Seller, (iii) declare all or any part of the unpaid balance of the Obligations then outstanding to be immediately due and payable, (iv) notify any account debtor to make payment on any of Seller's open invoices to DIP Factoring Agent on behalf of the DIP Factoring Purchasers, and (v) exercise any rights and remedies provided to the DIP Factoring Purchasers under this Agreement, under the Interim DIP Orders, under the Final Order, under any other DIP Document or at law or equity, including, without limitation, to seek relief from the automatic stay to foreclose on all or any portion of the DIP Collateral, and apply the proceeds thereof to the obligations arising under the DIP Documents.

(b) Cumulative Remedies. To the extent not prohibited by the provisions of applicable law which cannot be waived, all of the DIP Factoring Purchasers' rights hereunder and under any other document between the DIP Factoring Purchasers and Seller shall be cumulative. No failure to exercise and no delay in exercising, on the part of the DIP Factoring Agent or any DIP Factoring Purchaser, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

(c) Waivers. To the extent that such waiver is not prohibited by the provisions of applicable law that cannot be waived, Seller hereby waives (1) all presentments, demands for performance, notices of nonperformance (except to the extent required by this Agreement), protests, notices of protest and notices of dishonor; (2) any requirement of diligence or promptness on the part of the DIP Factoring Agent or any DIP Factoring Purchaser in the enforcement of its rights under this Agreement; (3) any and all notices of every kind and description which may be

9. Creation of Security Interest.

(a) Grant of Security Interest. To secure the payment and performance in full of all of the Obligations, the Note Parties hereby grant to the DIP Factoring Agent, as collateral agent for the DIP Factoring Purchasers, a continuing first priority security interest in, and pledge to Lender, the DIP Collateral, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof. Each Note Party represents, warrants, and covenants that the security interest granted herein is and shall at all times continue to be a first priority perfected security interest in the DIP Collateral (subject only to the Carve-Out and the lien priority set forth on Schedule IV attached hereto). Upon payment in full of the Obligations (other than indemnification obligations for which no claim has been made) and at such time as DIP Factoring Purchasers' obligation to purchase DIP Accounts and/or DIP Purchase Orders has terminated, DIP Factoring Agent shall release and terminate its liens and security interests in the DIP Collateral.

(b) Subordination of Prepetition Obligations. Subject to Schedule IV and the Final Order, all obligations judicially determined to be due and owing on account of the Prepetition Notes, the Prepetition Note Liens and/or the prepetition factoring facility, if any, and liens granted in the DIP Collateral shall be subject to this Agreement and shall be subordinate in all ways to the Lender's liens on the DIP Collateral hereunder.

(c) Authorization to File Financing Statements. The Note Parties hereby authorize DIP Factoring Agent to file financing statements or other security documents, without notice to the Note Parties, with all appropriate jurisdictions to perfect or protect DIP Factoring Agent's and DIP Factoring Purchasers' interest or rights hereunder, including a notice that any disposition of the DIP Collateral (other than in accordance with this Agreement or order of the Bankruptcy Court), by either Seller or any other Note Party, shall be deemed to violate the rights of DIP Factoring Agent and DIP Factoring Purchasers under the Code. Without limiting the foregoing, the Note Parties hereby authorize DIP Factoring Agent to file financing statements and other security documents which describe the collateral as "all assets" and/or "all personal property" of the Note Parties or words of similar import. Nothing in this Agreement shall limit the effectiveness of DIP Factoring Agent's and DIP Factoring Purchasers' liens and claims pursuant to the Second Interim DIP Order or the Final Order.

10. Administrative Priority; Lien Priority; Adequate Protection.

(a) The Obligations of Seller will, at all times, constitute allowed administrative expenses in the Chapter 11 Case, having priority in payment over all other administrative expenses and unsecured claims against Seller now existing or hereafter arising, of any kind or nature whatsoever, including without limitation all administrative expenses of the kind specified in, or arising or ordered under, Sections 105, 326, 327, 328, 330, 503(b), 506(c), 507(a), 507(b), 546(c), 726 and 1114 of the Bankruptcy Code, except as to the Carve-Out and the co-priority and subordination of Liens set forth on Schedule IV attached hereto and the Final Order.

(b) Pursuant to Section 364(d)(1) of the Bankruptcy Code, the Second Interim Order and the Final Order, all Obligations will be secured by a perfected priming first priority Lien on the DIP Collateral, except as to the Carve-Out and the co-priority and subordination of Liens set forth on Schedule IV attached hereto and the Final Order.

(c) The Prepetition Collateral Agent, on behalf of the Prepetition Secured Parties, shall receive, to the extent of any aggregate diminution in the value of their collateral, subject to the Carve-Out: (a) valid, binding, enforceable, and automatically and properly perfected replacement liens on and security interests in the DIP Collateral (the “Prepetition Notes Adequate Protection Liens”), subject to the co-priority and subordination of Liens described in Schedule IV attached hereto (which is reflective of existing intercreditor and subordination agreements which shall remain binding with respect to such lien priority) and the Final Order; and (b) allowed super-priority administrative expense claims in the Chapter 11 Case having priority over all administrative expenses of the kind specified in, or ordered pursuant to, section 364(c)(1) of the Bankruptcy Code (the “Prepetition Notes Adequate Protection Claims”), subject to the co-priority and subordination of Liens described in Schedule IV attached hereto (which is reflective of existing intercreditor and subordination agreements which shall remain binding with respect to such lien priority) and the Final Order.

(d) Prestige (or its successor-in-interest) shall receive, to the extent of any aggregate diminution in the value of its pre-petition collateral, subject to the Carve-Out: (a) valid, binding, enforceable, and automatically and properly perfected replacement liens on and security interests in the DIP Collateral (the “Prestige Adequate Protection Liens”), subject to the co-priority and subordination of Liens described in Schedule IV attached hereto (which is reflective of existing intercreditor and subordination agreements which shall remain binding with respect to such lien priority) and the Final Order; and (b) allowed super-priority administrative expense claims in the Chapter 11 Case having priority over all administrative expenses of the kind specified in, or ordered pursuant to, section 364(c)(1) of the Bankruptcy Code (the “Prestige Adequate Protection Claims”), subject to the co-priority and subordination of Liens described in Schedule IV attached hereto (which is reflective of existing intercreditor and subordination agreements which shall remain binding with respect to such lien priority) and the Final Order.

(e) The Prepetition Collateral Agent shall be entitled to reimbursement of its reasonable and documented fees and out-of-pocket expenses.

(f) The Prepetition Collateral Agent shall be entitled to reimbursement of its respective reasonable and documented fees and out-of-pocket expenses of one primary counsel and one local counsel (if applicable), and one financial advisor.

(g) The Prepetition Collateral Agent, on behalf of itself and the Prepetition Secured Parties, shall be entitled to performance of the Milestone Requirements.

(h) Interest at the default rate specified in the Prepetition Notes shall continue to accrue under the terms of the Prepetition Notes.

(i) The Creditors Committee shall have until April 10, 2023 to investigate and challenge and otherwise object to the allowance of the Allowed Claim (the “Creditors’ Committee”).

Challenge Period”). White Winston shall have until March 9, 2023 to investigate and challenge and otherwise object to the allowance of the Allowed Claim (other than challenges and objections based upon Seller’s bankruptcy estate’s claims) (“White Winston Challenge Period” and, together with the Creditors’ Committee Challenge Period, the “Challenge Period”). To the extent the principal amount of the Allowed Claim is successfully challenged (such amount, the “Disallowed Claim”) such that the Allowed Claim is less than the Roll-Up Amount, then the Roll-Up Amount shall be reduced by the amount of the Disallowed Claim such that the Roll-Up Amount equals the Allowed Claim. If an objection to the Prepetition Secured Parties’ prepetition claim is timely filed during the applicable Challenge Period in the Bankruptcy Court, then: (i) the Prepetition Secured Parties’ prepetition claim shall not be deemed an “allowed claim” to the extent objected to in such objection absent the Prepetition Collateral Agent obtaining a further order of the Bankruptcy Court, unless the objection is withdrawn; (ii) the Prepetition Collateral Agent shall not be entitled to the Prepetition Collateral Agent Credit Bid Obligations unless the Prepetition Collateral Agent obtains a further order of the Bankruptcy Court, unless the objection is withdrawn; (iii) if a sale of Seller’s assets occurs before such claim objection is resolved, such sale proceeds will be held by the estate to the extent of the objection unless the Prepetition Collateral Agent obtains a further order of the Bankruptcy Court, unless the objection is withdrawn; and (iv) the releases set forth in Section 11(c) of this Agreement are not a defense to such claim objection brought by White Winston in the Bankruptcy Court (if such objection is brought during the Challenge Period). The Creditors’ Committee may use up to Fifty Thousand Dollars (\$50,000) of the fees and costs of the Creditors’ Committee in the Authorized Budget to investigate, challenge, object to or contest the validity, security, perfection, priority, extent or enforceability of any amount due under, or the liens under the Prepetition Notes. The DIP Note Agent reserves its’ right to respond to any challenge raised by the Creditors’ Committee, White Winston or any other party. For the avoidance of doubt, a challenge by either the Seller or the Creditors’ Committee of the Prepetition Secured Parties’ prepetition claims in excess of Twelve Million Eight Hundred Forty Thousand Dollars (\$12,840,000) is not limited by the Challenge Period.

(j) Subject to the express limitations contained in Section 10(i) above, Seller agrees that in any sale of the DIP Collateral, the Prepetition Collateral Agent, on behalf of the Prepetition Secured Parties, shall have the right to credit bid an amount not less than Twelve Million Eight Hundred Forty Thousand Dollars (\$12,840,000) which is the principal amount of the Prepetition Notes, including the original issue discount, in addition to the obligations under the DIP Facilities, or such greater amount as allowed by the Bankruptcy Court, in accordance with section 363(k) of the Bankruptcy Code, and that any motion filed by Seller seeking approval of bid procedures shall contain a request for approval of the right of the Prepetition Collateral Agent to credit bid the obligations of the Prepetition Purchasers; provided, however, the DIP Note Agent, the Creditors’ Committee and White Winston’s rights shall be reserved with respect to the terms of this Section 10(j).

(k) Except to the extent of the Carve-Out, no costs or expenses of administration or other charge, lien, assessment or claim incurred on or after the Petition Date of any Person or entity shall be imposed against the DIP Factoring Purchasers, the DIP Note Purchasers or the DIP Factoring Agent, their respective claims or the Prepetition Notes or Prepetition Note Liens under section 506(c) of the Bankruptcy Code or otherwise, and Seller hereby irrevocably waives any and all such rights, remedies and benefits under section 506(c) of the Bankruptcy Code.

11. Indemnification; Expenses; Releases; Waivers.

(a) Indemnification. The Seller Parties agree, joint and severally, to indemnify and hold and save harmless the DIP Agents, each DIP Factoring Purchaser, each DIP Note Purchaser, its and their respective Affiliates and each of their respective directors, officers, employees, agents, advisors, or representatives (collectively, “Indemnitees”) from and against any and all losses, damages, claims, actions, demands, liabilities or out-of-pocket costs and expenses of any kind whatsoever (including reasonable and documented attorneys’ fees and expenses) (collectively, “Claims”) incurred by or asserted or awarded against any Indemnatee (including in connection with any investigation, litigation or proceeding or the preparation of a defense in connection therewith) arising in any way directly or indirectly out of the transactions contemplated by this Agreement, the DIP Documents, and the transactions contemplated by this Agreement and the DIP Documents and any actual or proposed use of the proceeds from the sale and purchase of any DIP Account or DIP Purchase Order under this DIP Factoring Facility, provided that no such person will be indemnified for such Claims to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of the gross negligence or willful misconduct of such person, and further, provided, the foregoing indemnity shall exclude out-of-pocket costs and expenses (including but not limited to reasonable and documented legal fees and expenses) arising out of post-petition litigation between the DIP Note Agent, on the one hand, and White Winston and/or Ryan Drexler, on the other hand, regarding the Prepetition Notes or claims between those parties that are not the Seller’s or the Seller’s bankruptcy estate’s claims, including any claims that may be prosecuted in the Chapter 11 Case. For the avoidance of doubt, the excluded out-of-pocket costs and expenses are intended to be inclusive of discovery concerning claims related to the Prepetition Notes of the DIP Note Agent, on the one hand, and White Winston and/or Ryan Drexler, on the other hand, conducted by 2004 examination. The foregoing indemnity shall be effective whether or not such any such investigation, litigation, or other proceeding to which the indemnity applies is brought by any Seller Party, any of their respective directors, officers, managers, security holders, creditors, an Indemnified Party or any other Person and whether or not an Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated.

(b) Expenses. The Seller Parties shall pay, in connection with the Chapter 11 Case and the negotiation and documentation of the DIP Facilities and restructuring matters with respect to the Seller Parties, all incurred (i) reasonable and documented legal fees and out-of-pocket expenses of counsel for the DIP Agents and reasonable and documented legal fees and out-of-pocket expenses of Schulte Roth & Zabel, LLP and Garman Turner Gordon LLP, counsel for Empery, in its capacity as a DIP Note Purchaser, DIP Factoring Purchaser, and the DIP Agents; and (ii) reasonable and documented fees and out-of-pocket expenses of any financial advisor for the DIP Agents. In addition, the Seller Parties shall pay, in connection with workout proceedings and enforcement costs associated with the DIP Facilities, all incurred (i) reasonable and documented legal fees and out-of-pocket expenses of counsel for the DIP Agents and reasonable and documented legal fees and out-of-pocket expenses legal fees and out-of-pocket expenses of Schulte Roth & Zabel, LLP and Garman Turner Gordon LLP, counsel for Empery, in its capacity as a DIP Note Purchaser; and (ii) reasonable and documented fees and out-of-pocket expenses of any financial advisor for the DIP Agents. Such fees and expenses shall be part of the Obligations and the DIP Note Purchaser, DIP Factoring Purchaser, and the DIP Agents’ claim(s).

(c) Releases. Pursuant to the Final Order, for good and valuable consideration, including facilitation of the DIP Facilities, the Note Parties, on behalf of themselves, and Seller, on behalf of its bankruptcy estate (collectively, the “Releasors”), hereby release any and all claims, obligations, rights, suits, damages, causes of action, remedies and liabilities whatsoever, including any derivative claims asserted or which could be asserted on behalf of the Releasors, whether known or unknown, foreseen or unforeseen, existing in law, equity or otherwise, that the Releasors would have been legally entitled to assert in their own right, whether individually or collectively, including claims based on or relating to, or in any manner arising from, in whole or in part, the Chapter 11 Case restructuring, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any security of the Seller Parties, the subject matter of, or the transactions or events giving rise to, any claim or equity security, or any other act or omission, transaction, agreement, event or other occurrence relating to the Seller, the Prepetition Notes or the Prepetition Liens, taking place on or before the date of this Agreement, against the DIP Note Agent in its capacity as such, the DIP Note Purchasers in their capacities as such, the DIP Factoring Purchasers in their capacities as such, and, except to the extent successfully challenged in a challenge brought in the applicable Challenge Period, the Prepetition Collateral Agent in its capacity as such, and the Prepetition Purchasers in their capacities as such (collectively, the “Releasees”). The foregoing releases shall not be a defense to an objection to the prepetition claims of the Prepetition Collateral Agent in its capacity as such and the Prepetition Purchasers in their capacity as such brought in the Bankruptcy Court, provided such objection is timely brought during the applicable Challenge Period. Any claims arising out of the breach of this Agreement by any party are excluded from the releases provided in this Section 11(c), and, in the event of any such breach, the non-breaching party shall be entitled to pursue any and all rights, claims and damages that it may have against the other party as a result of such breach.

(d) DIP Waivers. Pursuant to the Final Order, the Releasors hereby waive (i) any and all claims of the Seller Parties, on behalf of themselves, and Seller, on behalf of its bankruptcy estate, arising from or related to (A) the DIP Agents or any DIP Note Purchaser or any DIP Factoring Purchaser, in each of their respective capacities as such, or (B) the DIP Documents; including, without limitation, the waiver of any and all rights to challenge the validity, perfection, priority, extent or enforceability of the claims or Liens securing the Obligations, including without limitation seeking to equitably subordinate or avoid the Liens securing the Obligations, (ii) the “equities of the case” exception to Section 552(b) of the Bankruptcy Code, (iii) the ability to surcharge the DIP Collateral, and subject to entry of the Final Order, the collateral securing the Prepetition Notes, including under Section 506(c) of the Bankruptcy Code, and (iv) the equitable doctrine of “marshaling” with respect to the DIP Collateral, and subject to entry of the Final Order, the collateral securing the Prepetition Notes.

12. The DIP Factoring Agent.

(a) Appointment and Authorization. Each DIP Factoring Purchaser hereby designates and appoints the DIP Factoring Agent as its DIP Factoring Agent and collateral agent under this Agreement and the other DIP Documents and each DIP Factoring Purchaser hereby irrevocably authorizes the DIP Factoring Agent to take such action on its behalf under the provisions of this Agreement and each other DIP Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other DIP Document, together with such powers as are reasonably incidental thereto. The DIP Factoring Agent agrees to act as

such on the express conditions contained in this Section 12. The provisions of this Section 12 are solely for the benefit of the DIP Factoring Agent and the DIP Factoring Purchasers and no Seller Party shall have any rights as a third party beneficiary of any of the provisions contained herein. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other DIP Document, the DIP Factoring Agent shall not have any duties or responsibilities, except those expressly set forth herein, nor shall the DIP Factoring Agent have or be deemed to have any fiduciary relationship with any DIP Factoring Purchaser, and no implied covenants, functions, responsibilities, duties, obligations, or liabilities shall be read into this Agreement or any other DIP Document or otherwise exist against the DIP Factoring Agent. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Except as expressly otherwise provided in this Agreement, the DIP Factoring Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions which the DIP Factoring Agent is expressly entitled to take or assert under this Agreement and the other DIP Documents, including the exercise of rights and remedies pursuant to Section 8, and any action so taken or not taken shall be deemed consented to by the DIP Factoring Purchasers.

(b) Delegation of Duties. The DIP Factoring Agent may execute any of its duties under this Agreement or any other DIP Document by or through agents, sub-agents, employees, or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The DIP Factoring Agent shall not be responsible for the negligence or misconduct of any agent, sub-agent, employee, or attorney-in-fact that it selects as long as such selection was made without gross negligence or willful misconduct.

(c) Liability of the DIP Factoring Agent. The DIP Factoring Agent shall not (x) be liable for any action taken or omitted to be taken by it under or in connection with this Agreement or any other DIP Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct as determined by a final, non-appealable judgment of a court of competent jurisdiction), or (y) be responsible in any manner to any of the DIP Factoring Purchasers for any recital, statement, representation, or warranty made by Seller contained in this Agreement or in any other DIP Document, or in any certificate, report, statement, or other document referred to or provided for in, or received by the DIP Factoring Agent under or in connection with, this Agreement or any other DIP Document, or the validity, effectiveness, genuineness, enforceability, or sufficiency of this Agreement or any other DIP Document, or for any failure of Seller to perform its obligations hereunder or thereunder. The DIP Factoring Agent shall not be under any obligation to any DIP Factoring Purchaser to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other DIP Document, or to inspect the properties, books, or records of Seller or any affiliate of Seller.

Without limiting the generality of the foregoing, the DIP Factoring Agent: (i) shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other DIP Documents that the DIP Factoring Agent is required to exercise as directed in writing by the DIP Consenting Secured Parties; provided that the DIP Factoring Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Person to liability or that is contrary to any DIP Document or applicable requirements of law; and (ii) shall, except as expressly set forth

herein and in the other DIP Documents, have no duty to disclose, and shall not be liable for the failure to disclose, any information relating to Seller or any of their affiliates that is communicated to or obtained by the Person serving as DIP Factoring Agent or any of its affiliates in any capacity.

(d) Reliance by the DIP Factoring Agent.

(i) The DIP Factoring Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, e-mail, facsimile, telex, or telephone message, statement, or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to Seller), independent accountants, and other experts. The DIP Factoring Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other DIP Document unless it shall first receive such advice or concurrence of the DIP Consenting Secured Parties as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the DIP Factoring Purchasers against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The DIP Factoring Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other DIP Document in accordance with a request or consent of the DIP Consenting Secured Parties (or all DIP Factoring Purchasers if so required by the terms of this Agreement) and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the DIP Factoring Purchasers.

(ii) For purposes of determining compliance with the conditions specified in Section 4, each DIP Factoring Purchaser that has executed this Agreement shall be deemed to have consented to, approved, or accepted or to be satisfied with, each document or other matter either sent by the DIP Factoring Agent to such DIP Factoring Purchaser for consent, approval, acceptance, or satisfaction, or required thereunder to be consented to or approved by or acceptable or satisfactory to such DIP Factoring Purchaser.

(e) Notice of Default. The DIP Factoring Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless the DIP Factoring Agent shall have received written notice from a DIP Factoring Purchaser or Seller Party referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default.” The DIP Factoring Agent will notify the DIP Factoring Purchasers of its receipt of any such notice.

(f) Credit Decision. Each DIP Factoring Purchaser acknowledges that the DIP Factoring Agent has not made any representation or warranty to it, and that no act by the DIP Factoring Agent hereinafter taken, including any review of the affairs of Seller and their affiliates, shall be deemed to constitute any representation or warranty by the DIP Factoring Agent to any DIP Factoring Purchaser. Each DIP Factoring Purchaser represents to the DIP Factoring Agent that it has, independently and without reliance upon the DIP Factoring Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition, and creditworthiness of Seller and their affiliates and made its own decision to enter into this

Agreement and to extend credit to Seller. Each DIP Factoring Purchaser also represents that it will, independently and without reliance upon the DIP Factoring Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals, and decisions in taking or not taking action under this Agreement and the other DIP Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition, and creditworthiness of Seller. Except for notices, reports, and other documents expressly herein required to be furnished to the DIP Factoring Purchasers by the DIP Factoring Agent, the DIP Factoring Agent shall not have any duty or responsibility to provide any DIP Factoring Purchaser with any credit or other information concerning the business, prospects, operations, property, financial and other condition, or creditworthiness of Seller which may come into the possession of the DIP Factoring Agent.

(g) The DIP Factoring Agent in Individual Capacity. With respect to its DIP Accounts and DIP Purchase Orders, the DIP Factoring Agent as a DIP Factoring Purchaser shall have the same rights and powers under this Agreement as any other DIP Factoring Purchaser and may exercise the same as though it were not the DIP Factoring Agent, and the terms “DIP Factoring Purchaser” and “DIP Factoring Purchasers” include the DIP Factoring Agent in its individual capacity as a DIP Factoring Purchaser hereunder.

(h) Successor DIP Factoring Agent. The DIP Factoring Agent may resign as the DIP Factoring Agent upon thirty (30) days’ notice to the DIP Factoring Purchasers and Seller, such resignation to be effective, subject to the next succeeding paragraph of this Section 12(h), upon the acceptance of a successor agent to its appointment as DIP Factoring Agent. If the DIP Factoring Agent resigns under this Agreement, the DIP Consenting Secured Parties shall appoint a successor agent for the DIP Factoring Purchasers. Upon the acceptance of its appointment as successor agent hereunder, such successor agent shall succeed to all the rights, powers, and duties of the retiring DIP Factoring Agent and the term “DIP Factoring Agent” shall mean such successor agent and the retiring DIP Factoring Agent’s appointment, powers, and duties as the DIP Factoring Agent shall be terminated. After any retiring DIP Factoring Agent’s resignation hereunder as DIP Factoring Agent, the provisions of this Section 12(h) shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the DIP Factoring Agent under this Agreement.

If no such successor DIP Factoring Agent shall have been so appointed by the DIP Factoring Purchasers and shall have accepted such appointment within thirty (30) days after the retiring DIP Factoring Agent gives notice of its resignation then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring DIP Factoring Agent shall be discharged from its duties and obligations hereunder and under the other DIP Documents (except that in the case of any DIP Collateral held by the DIP Factoring Agent on behalf of the DIP Factoring Purchasers under any of the DIP Documents, the retiring DIP Factoring Agent shall continue to hold such DIP Collateral as nominee until such time as a successor DIP Factoring Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through an DIP Factoring Agent shall instead be made by or to each DIP Factoring Purchaser directly, until such time as the DIP Factoring Purchasers appoint a successor DIP Factoring Agent as provided for above in this Section 12(h).

(i) After the replaced or retiring DIP Factoring Agent's replacement or resignation hereunder and under the other DIP Documents, the provisions of this Section 12 and Section 11 shall continue in effect for the benefit of such replaced or retiring DIP Factoring Agent and its sub-agents in respect of any actions taken or omitted to be taken by any of them while the replaced or retiring DIP Factoring Agent was acting as DIP Factoring Agent.

(i) Restrictions on Actions by the DIP Note Purchasers; Sharing of Payments.

(i) Each DIP Factoring Purchaser hereby waives any and all rights to set-off against the Obligations, any amounts owing by such DIP Factoring Purchaser to Seller or any accounts unrelated to the DIP Factoring Facility of Seller now or hereafter maintained with such DIP Factoring Purchaser. Each of the DIP Factoring Purchasers further agrees that it shall not take or cause to be taken any action to enforce its rights under this Agreement or against Seller, including the commencement of any legal or equitable proceedings, to foreclose any Lien on, or otherwise enforce any security interest in, any of the DIP Collateral.

(ii) If at any time or times any DIP Factoring Purchaser shall receive (i) by payment, foreclosure, setoff or otherwise, any proceeds of DIP Collateral or any payments with respect to the Obligations owing to such DIP Factoring Purchaser arising under, or relating to, this Agreement or the other DIP Documents, except for any such proceeds or payments received by such DIP Factoring Purchaser from the DIP Factoring Agent pursuant to the terms of this Agreement, or (ii) payments from the DIP Factoring Agent in excess of such DIP Factoring Purchaser's pro rata share of all such distributions by the DIP Factoring Agent, such DIP Factoring Purchaser shall promptly turn the same over to the DIP Factoring Agent, in kind, and with such endorsements as may be required to negotiate the same to the DIP Factoring Agent, or in same day funds, as applicable, for the account of all of the DIP Factoring Purchasers and for application to the Obligations in accordance with the applicable provisions of this Agreement.

(j) Agency for Perfection. Each DIP Factoring Purchaser hereby appoints each other DIP Factoring Purchaser as agent for the purpose of perfecting the DIP Factoring Purchasers' security interest in assets which, in accordance with Article 9 of the UCC, can be perfected by possession. Should any DIP Factoring Purchaser (other than the DIP Factoring Agent) obtain possession of any such DIP Collateral, such DIP Note Purchaser shall notify the DIP Factoring Agent thereof, and, promptly upon the DIP Factoring Agent's request therefor shall deliver such DIP Collateral to the DIP Factoring Agent or otherwise deal with such DIP Collateral in accordance with the DIP Factoring Agent's instructions.

(k) Payments by the DIP Factoring Agent to the DIP Note Purchasers. All payments to be made by the DIP Factoring Agent to the DIP Factoring Purchasers shall be made by bank wire transfer of immediately available funds to each DIP Factoring Purchaser pursuant to wire transfer instructions delivered in writing to the DIP Factoring Agent on or prior to the date hereof, or pursuant to such other wire transfer instructions as each party may designate for itself by written notice to the DIP Factoring Agent. Concurrently with each such payment, the DIP Factoring Agent

shall identify what such payment (or any portion thereof) represents, whether for payment of fees, or whether being made on account of a DIP Account or DIP Purchase Order, or otherwise.

(l) Concerning the DIP Collateral and the Related DIP Documents. Each DIP Factoring Purchaser authorizes and directs the DIP Factoring Agent to enter into this Agreement and the other DIP Documents relating to the DIP Collateral for the benefit of the DIP Factoring Agent and the DIP Factoring Purchasers. Each DIP Factoring Purchaser agrees that any action taken by the DIP Factoring Agent in accordance with the terms of this Agreement or the other DIP Documents relating to the DIP Collateral, and the exercise by the DIP Factoring Agent of its respective powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the DIP Factoring Purchasers.
